

Be Safe, Be Respectful, Be Your Best

PBIS Blitz (Weeks 9 & 10)

"We all love swimming but being safe is our number one rule. Listen and be careful while you swim around, we want all our students to be safe and sound."

Dear Parents,

Newsletter Term 4 Week 9

Advent is a time of waiting in hope and expectation. We may hope for many things: to win the lottery; get a better-paid job; pass an examination; find the right person to marry; overcome an illness; heal a soured relationship. Perhaps though the Church's celebration of Advent is more akin to the kind of excited joy in a child's heart awaiting a forthcoming birthday party. Or the joy of expectant parents awaiting the birth of their first child.

For us, though Advent is a 'spiritual' wake-up call. It's an opportunity to lift ourselves out of any self absorption, to open our hearts and realign our lives with Gospel values as we prepare to celebrate Christmas. As Christians our hearts must always be 'awake' to fully grasp the message of Jesus and to remember that this can be a time to start afresh.

***End of Year Concert and Mass** - Just a reminder that our End of Year Concert is being held this Thursday 1st December starting at 6.00pm. The School Board will have a BBQ running once again but as always you are all welcome to bring your own meal along. Our end of year mass will take place on Thursday 15th December from 10.00am and this will also include our Graduation Ceremony and presentation of classroom awards. All parents are invited to come along to this celebration as well.*

***Swimming Program** – Once again our swimming program is underway and is a great opportunity to talk to the children about water safety and to enhance their swimming skills and stroke technique. The recent media announcements making it the responsibility of schools to ensure that ALL children can swim fifty metres by the end of year Six will be very difficult to achieve without significant government funding and a commitment from parents to reinforce our program at home over the summer months. Treating the rivers, lakes, pools and waterways with respect is the first step. I will be watching and listening for further announcements about this new initiative that will place even more responsibility on our schools with great interest.*

***Final day of Classes For 2016** – A reminder to everyone that classes will conclude for 2016 on Friday 16th December at 3.15pm. Staff will be taking part in a Planning Day on Monday 19th and will finish up on Tuesday 20th.*

***Basketball Program 2017** – This Friday, Liam Wright and Kennan Burrage will be coming to school to play basketball with the students over the lunch hour. They will then spend a few minutes of our assembly time describing their Basketball Training Program that will be offered in 2017. Yarrowonga is certainly embracing basketball and this has been reinforced by the large numbers of young people playing both at a domestic and representative level. Liam, who has played with the Bushrangers Basketball team and represented Papua New Guinea and Kennan who has played high level basketball and has come across to Australia from the USA will provide the kids who enrol in the program with some excellent tips and skills that will be sure to enhance their game. More information about the program will be sent home for you to consider for what is sure to be a great opportunity for our students.*

Thanks and best wishes,

Paul

Advent

This Sunday is the 2nd Sunday of Advent. As we enter the Second Week of Advent, our thoughts should be turning more and more to the coming of Christ at Christmas. As we move on to the second candle on our Advent wreaths, our sense of expectation increases, as does our recognition of the fact that we are not prepared.

CONFIRMATION EUCHARIST 2017

We have been informed by the Bishops secretary, Mrs Margaret Watson that Confirmation Eucharist for 2017 will be held on Friday night the 26th of May. Please put this date in your diary.

Many great photos were taken of our confirmation/Eucharist Candidates so if you would like to receive an email of the photos of your child, please email me and I'll forward them on.

Have a great week everyone,

Meegan McInness

READING YOUR CHILD'S REPORT by Michael Grose (Part Two)

Before you rip open the sealed envelope containing the report, do a little self-check to see if you are in the right frame of mind:

1. Are your expectations for your son or daughter realistic and in line with their ability?

Expectations are tricky. If they are too high then kids can be turned off learning. Too low and there is nothing to strive for. Pitch your expectations in line with your child's abilities. A quick check of your child's last report cards may provide you with a good yardstick.

2. Do you believe that children learn at different rates?

There are slow bloomers, late developers and steady-as-you-go kids in every classroom, so avoid comparing your child to siblings, your friends' children and even yourself when you were a child. Instead, look for individual progress.

3. Are you willing to safeguard your child's self-esteem rather than deflate it?

Self-confidence is a pre-requisite for learning, so be prepared to be as positive and encouraging as possible. School reports come in different formats. Some are prescriptive while some use grading systems such as A, B, C, etc. with room for teacher comments. Regardless of the format, school reports should provide you with an idea of your child's progress in all subject areas, their attitude and social development.

CHILDREN'S CHATTER MATTERS

It is important for children to learn that stories generally have parts or a sequence to follow.

Knowledge of this will improve your child's reading comprehension and narrative writing.

** There are many new versions of traditional fairy tales. Children love reading the new versions and comparing what was the same/ different with the traditional story. Have a look at these versions:

'The Three Little Bush Pigs' by Paul Dallimore (The Three Little Pigs)

'Suddenly!' by Colin McNaughton (The Three Little Pigs)

'The True Story of the 3 Little Pigs by A. Wolf' by Jon Scieszka

'There Was an Old Lady Who Swallowed a Mozzie' by P. Crumble

'There Was an Old Bloke Who Swallowed a Chook' by P. Crumble

'Jim and the Beanstalk' by Raymond Briggs

Congratulations

Congratulations and Good luck to Ollie Ridley who is competing in the State Golf Championships at Koorringal Golf Club in Melbourne today. It's a fantastic achievement and we're proud of Ollie's efforts in making it to a state level.

Christmas Concert- 6pm Thursday

Tomorrow night our annual 'Christmas Concert' will be held on the Basketball Court starting at 6pm. The students will sing, dance and have a great time on stage and we hope that many families can come along, relax and join in the festivities. Families can bring along some food and drinks. A sausage sizzle will be available and Dip n Dots will also be on-site.

Each centre will perform a song and also a dance item.

The Community Artist Program at Sacred Heart is very fortunate to have Anne Gleeson and Gwenda Hicks give up their time every Tuesday afternoon to guide, teach and encourage promising artists at our school. The students have had many experiences with acrylic paint and pastel. During their time in the Artist Group it has been evident that skills have been developed and refined. This week, the students have their Artwork displayed in the corridor leading to the Art Room from Wednesday the 30th of November until Friday the 2nd of December. Everyone is invited and

welcome to have a look at the artwork, as you will be amazed at what is possible from our talented students. On Monday the 5th of December, the students in the Community Artist Group will be presented with their portfolio of Art. This will be at our Monday morning assembly in the Mercy Centre at 8:50am.

Sacred Heart PS Swimming 2016

Every Summer news headlines highlight the importance of including a swimming/water safety component in school Health and Physical Education programs.

Our swimming program will take place in weeks 9, 10 & 11 this term. The end of the school year is the perfect time to run the program as the children are soon to be spending lots of hours around water...whether at pools, lakes, rivers or beaches.

Children will participate on the following days :

Please ensure permission notes are returned by Friday 25th November. Children need to come to school with everything they need to participate in the program on their allocated swimming days ~ bathers, towel, sunscreen and thongs (to be worn to and from pool only). To help promote our school's sunsmart message, children are required to wear a t-shirt/rashie at all times. Girls are asked to wear one-piece bathers (if possible).

Children will swim on the following days :
