2014 Term 4 Week 5 Newsletter

Paul Away!

I have been away today at our final Principal's meeting for 2014. The final meeting for the year is always an

important one as we are given lots of information regarding the major focus areas for 2015. I will also be away next Friday 13th November as I'll be attending the farewell mass and celebration of our Director of Education in the Sandhurst Diocese – Mrs Philomena Billington. Phil has been an outstanding leader, a model of faith to all her schools and an example of hard work and dedication. She will be sadly missed.

In 2015 we welcome Mr Paul Desmond who is currently the Principal of the largest Catholic school in Victoria that works across three campuses in the Sale Diocese. I had the pleasure of meeting Paul last week and I'm sure he'll be a wonderful replacement for Phil and will visit our school early next year to introduce himself to the staff and students.

School Fees

I have decided to place the School Fees NOTICE in the newsletter again this week. Please look at finalising your accounts prior to the end of the school year.

School Fete

Rachelle and the Organising Committee still require significant support. The response has been positive but more help is still needed so the same old few aren't left to do all the work.

Christmas Concert / Graduation Mass

Just a reminder of the dates for our Christmas Concert and Graduation Mass this year. The concert will be on Thursday 4th December, 2015. Parents can come along and have a BYO meal on the lawn area from 5.30pm before we start the concert at 6.30. The Graduation Mass will be at 9.30am on Wednesday 17th December. You do need to allocate a couple of hours to the Graduation Mass as the Presentation of Awards and the Graduation Ceremony does take time to complete after the mass.

Peace and best wishes, Paul

Dear Parents,

I hope you enjoyed an extra long weekend mid-term and were able to pick a winner in the Melbourne Cup on Tuesday.

Yesterday I was a part of a panel of four to select three new staff for the 2015 school year. We will interview nine applicants and will announce those we select in next weeks newsletter.

Words of Wisdom

"Don't be afraid, for I have ransomed you; I have called you by name; you are mine. When you go through deep waters and great trouble, I will be with you."

CRAZY HAIR Day- This Friday 7th November

On Nov 3rd, Tom Dunn will begin his approx.40 day kayaking trip along the Murray River that will raise money for The Aurora Foundation. This organisation was chosen to be the benefactor of our donation collections as it is a charity of personal significance. The Dunn family was supported immensely by the Aurora Foundation's when Cate (Tom's sister) was diagnosed as profoundly deaf. As a rurally located family with no prior personal knowledge or experience surrounding the disability, they were left with no ideas on how to support a deaf child. Thanks to the assistance of Aurora, Cate herself that is now in a position where she functions normally, has no noticeable speech defect, and in her eyes has no disability. The Aurora Foundation has helped Cate to break away from the stereotypes that children with this disability are subjected to, and has improved the quality of life she will now experience – for that, we cannot describe the gratitude towards this organisation. We hope that that all families learning to support a child with deafness can share in the support and care we have received from this organisation - unfortunately, however, the opportunity is not always available. Therefore the money that we raise will be put towards allowing rural deaf children and families, who may find themselves in the same position as the Dunn family were in, to seek out Aurora's assistance with early development and to help allow these children to live out their dreams and desires and reach their full potential, as Cate has done (Luke Doyle, Sacred Heart College)

A Gold coin donation on Friday will go along way to supporting Cate, Tom and the Aurora Foundation. Here's some information from the Facebook page... <https://www.facebook.com/KayakMurrayAurora/info>

Children's Chatter Matters

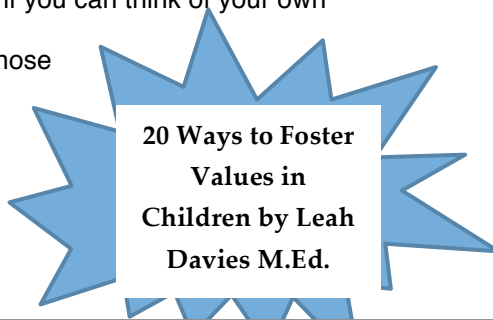

Janine Buerckner

jbuerckn@shyarrowonga.catholic.edu.au

Ten activities will be provided over Term Four targeting phonological awareness. Phonological awareness is one of the key building blocks for reading and writing. It is listening to and thinking about the sounds in words.

** Children can enjoy solving these riddles and then afterwards finding the words that rhyme. See if you can think of your own
In the garden it grows,
You can smell it with your nose
It is called a ? (rose)
It sleeps on the mat,
It's bigger than a rat
It is called a ? (cat)

12. Listen respectfully to your child's ideas and feelings.

PBIS NEWS

Mini Blitz: 'Sit down to eat your lunch, then put your rubbish in the bin. You will be happy knowing you've done the right thing'.

It's OUR ENVIRONMENT!

We continue to look at this blitz and go over the expectations of what this looks like. The weather is starting to warm up, so the students are purchasing more icy-poles from our canteen which is great and how lucky are we to have this opportunity to buy them each day, particularly as the weather continues to warm up. However, too many kids are then not sitting down in the quadrangle to enjoy it. Last week we found a huge number of icy-pole /zing/Zooper Dooper wrappers around the school instead of in the bins. We have already had a day where we banned students from purchasing these items for a day, and we will have more if they continue to do the wrong thing. An area we can continue to work on.

Well done to those families who are supporting our 'Litter Free Tuesdays'. It's a great way to educate our children on how we can all do our bit for the environment.

JAPANESE AWARDS

Benjamin Griffin (5O) – for participating enthusiastically and singing a hiragana characters song confidently in class. Well done Ben!

Mitch Clancy (5V) – for writing down three sports words in hiragana characters beautifully. Great work Mitch.

Frazer Cummins (3/4C) – for enthusiastically attending the lessons and trying your best. It was great to see your positive learning attitude in class. Keep up the great work!

Axel Doherty (3/4P) – for participating actively when doing an activity to practise sentences we learnt. Keep up the great work Axel!

Anastasia Capelja (6L) – for writing a question and answers in hiragana characters and followed the stroke order really well. Great work!

Hunter Frauenfelder (3/4T) – for enthusiastically participating in class and repeating and speaking sentences correctly. Your attitude was great in the lesson. Keep up the great work Hunter!

Foundation (Prep)

Class Awards

Grace Richmond – for working hard and being your best each day. For your thoughtfulness when you brought in prayer stones for us.

Rhani Thomson – for helping to light up our learning space with your bubbly and fun personality.

Emma Barnes – for being a terrific independent learner and a kind and caring class member. You're a star Em!

Lachlan Lee-Conway - for your wonderful ideas and the contribution you make to the Foundation Inquiry Unit. You're a terrific learner.

Ellie Rennie - for being a kind and caring friend. You're always thinking of others Ellie.

Kiera Freeman – for the supper rhyming sentences that you have come up with and shared with the class. Well done Kiera!

Kerth Martin – for the hard work that you put into your reading each night. You should be proud of reading at such a high level in Prep.

Hats- Please make sure your child's hat is clearly labelled. We have had a number of missing hats in the first 2 weeks of school. It is your child's responsibility to take care of their own hat. We have a lost property tub at the Foundation doors if any parents would like to check for missing hats. It is important that they wear their hat for Term 4. The PBIS focus is also 'no hat, no play, no fun today'.

Grace's Tin – Grace Richmond has lost a tin with loom bands in it. It is an old tin with slots in the lid. If anyone has seen it, could you please return it to Prep A. Thanks.

Foundation Excursion- A permission note went home last week for the Foundation Excursion to Kyabram Fauna Park. This excursion will be on the 17th November (week 7). There is no cost for this trip, as it is covered in your child's school fees. The children will need to bring their lunch, snacks, drink bottle and a hat in their school bag. We will notify successful Parent Helpers this Friday, 7th November. Due to the overwhelming response, we will draw the names out of a hat. Thank you to everyone who offered to assist on the day.

2015 Prep Transition - The Preps for 2015 had their second transition day last week. They had a terrific time and enjoyed being in the Foundation Learning Spaces. There are four transitions in total, the next being today from 11.45am-2.00pm where they will spend lunchtime with their new Buddies.

2014 Fete Friday 21st November

Sacred Heart College Piper Street

Thank you to those who have returned your volunteer slip or who have contacted us directly or through Facebook to help with the Fete. The key coordinator positions are mostly filled and volunteer time slots are being matched to volunteers. Very keen to have someone take on coordination of the BBQ cooking and another for serving. I know this is a bigger ask than most stalls but it is an essential one.

If you have any questions about what is involved please approach me or previous coordinators as most stalls are not all that onerous. I have two grade 4s approach me last week at Breakfast Club requesting to have a new event this year, they have a great idea, a plan and once I talk with their parents hopefully a new event for this year's fete. Watch this space.

If I have your name as volunteering in the wrong stall or wrong time slot please contact me so that I can correct this. Or if you just want to change to be on a stall with a friend, we are happy to accommodate.

Our Book Stall is happening again this year, so please send your preloved books, to your child's class. Boxes will be available in each class room.

If your child is interested in decorating a teddy please attach a name tag including your child's class so that we can return any strays that may get left behind.

Kelly Bros are helping us out with boxes for Lego creations to be placed in. These will be available at the school shortly. This will help us display their work and return safely. Lego creations are to be dropped off at Piper Street on the morning of the Fete and picked up at the end of the evening. Thank you to Stickemon Sign for our advertising. Aren't they fantastic?

We hope to share the load so that all can have a lovely evening with Family in a fun community atmosphere.
