

Acknowledgement of Traditional Custodians

Sacred Heart acknowledges the traditional custodians of the land on which this school is built. We commit ourselves to working in partnership with Aboriginal people for reconciliation and justice.

Sacred Heart Primary School is committed to child safety. We believe all children have the right to feel safe and to be safe.

Happy Mother's Day to all mums, mums-to-be, grandmas, greater-grandmas, godmothers and women who dedicate their lives to their children. You are truly a blessing to your families and to our parish.

Thank you to everyone who attended our Mother's Day liturgy. It was a wonderful celebration and a great opportunity to acknowledge and celebrate the love and support you bring to our school community.

After School care

I understand there has been some disappointment with After School Care finishing at the end of term. Unfortunately, over the past 3 years we have not been able to sustain the numbers for us to run a financially viable After School Care program.

There are limited days and spaces available at the P-12 After School Care. Could you please let me know if this is an option you would like to pursue?

NAPLAN

The National Assessment Program-Literacy and Numeracy(NAPLAN) assesses literacy and numeracy skills that are essential for every child to progress through school life. Students in years 3 and 5 participate in these tests.

Leave

I will be on leave for the last 3 weeks of term. I am heading off to Chicago to complete some studies at the Catholic theological Union. In my absence Ben (Griffin) will take on the role of principal.

School crossing

A reminder to all our parents to please not park on either side of Woods Road in the vicinity of our school crossing during school drop off and pick up times.

Fees

Thank you to those families who have paid attention to contributing consistently to their school fees. It is expected, that all families meet their school fees commitments. If payment presents a problem, please contact me (Arn Gorman) as a matter of urgency.

Learning Walk

Our learning walk was a fabulous opportunity for parents to walk through our leaning spaces and see learning in action across all the learning environments. The feedback was very positive. Thank you to all who attended.

Presentation Mass

I look forward to seeing our reconciliation candidates at our first presentation mass on Sunday at 10am. This is an important step in each child's preparation for receiving the Sacrament of Reconciliation.

Take care

Arn

The 2020 enrolment period continues during the month of May. If families were unable to attend the recent Information Session, information packs including enrolment forms can be collected from the Witt Street Administration Office.

Extend OSHC at Sacred Heart Yarrawonga

Well, we are all still adjusting to the news that the end of term 2 will mean the end of aftercare at Sacred Heart.

But until then

Enrichment program term 2 continues

Learning the language of cooking, math in cooking, sensory experience of cooking

We will be working all term on our cookery experiences, and food education.

We are making a recipe book with all the recipes in, plus some of our afternoon tea favourites.

These will be a gift to the families of our service as a memory of our program. If you would like one you need to let the staff know. We are only printing enough for those who request them.

Jo Kingston (Team leader) and the Extend team

Our Extend Superstar is ...Charlotte Wallace: for all her amazing help packing up the room at the end of the day.
