If you receive a call asking for help please say yes. The success of our FETE always rests on the number of volunteers we get to support the stalls.

Looking forward to seeing you all there.

Catholic Education Yarrawonga – Arts on Display

What a wonderful two days we had. Many thanks to Nada Nolen and Michael Falkiner for their efforts in co-ordinating the event and Christine Cussen for organising the performing arts presentations. As you would have seen the children did a wonderful job and it was great to see that every child had at least one item framed and on display. Well done kids! Frames will remain on sale for a little while longer with the cost for each piece being \$5. Envelopes are available from the front desk.

Peace and best wishes,

Paul

ARTS ON DISPLAY

On behalf of Catholic Education Yarrowonga (CEY), I would like to extend my gratitude to all staff, families and friends who came along to the "Arts on Display" last week. The feedback from our first Art Show has been positive and it was a wonderful opportunity to showcase the gifts and talents of all of our students. Many framed Art works have been purchased and I will send these home at the end of the week. I invite all families to consider purchasing their child's framed Art work. Envelopes are available at the office, or simply write your child's name and class on an envelope and enclose a minimum of \$5 and send it to school by the end of the week.

With kind regardsNada Nolen

Our famous Moni Van Roy lives in the beautiful country side of Wilby. As most of us know she loves her speedway and all things automatic. Mon fills her weekends in commentating at the race track, she has a way with words and can entertain anyone who listens. Mon loves teaching and has a thirst for knowledge especially for Literacy. Her organisational skills are second to none and has her Grade Fives whipped into line. Miss Van Roy will put anyone before her self and is always willing to help others out. She lightens up the room with her many jokes on a Monday morning. We are very lucky to have such a committed teacher at Sacred Heart with so many wonderful skills and attributes. The students enjoy Mon's bubbly sense of humour and easy going nature. The place would be very quiet without Miss Van Roy!!

Religious Education

Sid Kelly, Religious Co-ordinator

The final Children's Mass for the year is this Sunday, November 23rd. Being the last one, it would be wonderful to see as many families there as possible to help us celebrate the Christ the King Mass. I especially encourage students that have received Sacraments this year, our Grade 6 students who will be leaving us at the end of the term and those Grade 5 students who are aspiring to be part of the School Leadership team next year to attend and be involved.

If your family will be attending the Mass please send me an email on the address below by tomorrow, Thursday November 20th.

Remember that when you do come on Sunday, make your way up the front so we can all sit together.

Our last religious celebration together for the year will be the Graduation Mass. This Mass is on Wednesday December 17th in the MPB on Piper St at 9.30am. Everyone is welcome.

Congratulations to the following students, Chloe Hart, Tom Kennedy, Emily Ford, Spencer Korb, Sam Marshall and Tiffany Thomas.

Ten activities will be provided over Term Four targeting phonological awareness. Phonological awareness is one of the key building blocks for reading and writing. It is listening to and thinking about the sounds in words.

** Have fun with sound play using alliteration (where each word begins with the same sound). Children will play a "copy-cat" as the parent 'builds up' an alliterative character e.g Miss Marble. Miss Marble's muffins. Miss Marble makes muffins. Miss Marble makes marvellous muffins. Miss Marble makes marvellous marmalade muffins – "mm..." You could always begin with the familiar names for example; Silly Simon sang..., tiny Tina tells..., little Lucy loves...

Well Being

15. Take time to have fun with your child. For example, play games, read, pretend, look at family photos, share dreams attend events, participate in sports or hobbies, or volunteer for worthy causes.

16. Agree on family rules and live by them. For example, the television is off during family meals; we are kind to each other; we do not use profanity.

Celebrate International Day of People with Disability

Come along and help us celebrate – plenty of FREE activities including:

- All abilities games
- Face painting
- Yoga demonstrations
- Live music from local performers

Yarra-Mul Basketball Association-Help required for Moira Shire Survey Please.

The Moira Shire currently has a survey to find out what sporting/recreational facilities are lacking/required in the Moira Shire.

We are asking for as many people as possible to get online and fill out this short survey (it only takes a few minutes) and stress the need for a basketball/indoor sports stadium in our town.

We are sadly lacking an indoor sports facility in Yarrawonga and we need to voice this opinion loudly for the future of our town, as other towns in the shire seem to have better facilities than us.

If we speak up in big numbers, then maybe they'll start to listen and something might be done.

The survey needs to be completed by the end of the week and the link for the survey is:

<https://www.surveymonkey.com/s/moirarecreationstrategy> Thank you so much for your help. Yarrawonga
