Thank you to everyone who has engaged in the opportunity to meet with the classroom teachers for a learning conversation. These are formal opportunities to discuss your child's learning with staff as well as an opportunity for you to share information to staff. Please know you are welcome to come into your child's learning space, view their work and informally meet with staff. We just have to remain mindful of appropriate social distancing and if you intend on being in the learning spaces longer than 10 minutes - sign in on the iPad or scan the QR code at the front office.

The Parents and Friends Committee held their AGM on Monday evening. At this point of time the positions of President, Treasurer and Secretary are vacant. I would like to express my thanks to Jill Mullally, Bec Coulter and Kylie Buerckner and the P&F committee for their work, especially over the last three years. As a school community we are very grateful for your time, dedication and support of our school.

Some good news: our canteen will be open at the start of Term 2. The Sweet and Sour Sisters will be running the canteen with lunch orders being available on Wednesday, Thursday and Friday. More information will be sent out over the next couple of weeks.

In response to our Survey re: After School Care - At this stage we are in negotiations with the YMCA. It is looking very promising that we will be able to begin our After School Care program at the beginning of Term Three.

Have a wonderful week everyone

St Patrick's Day

We are a sea of green today for the Feast of St Patrick. Great to see so many students and staff getting in the spirit and wearing green. We had a fabulous sausage sizzle for lunch, thanks to our chefs Mr Price and Sean McLarty. The green cordial was also a hit. We will let you know next newsletter how much money we raised for Project Compassion. If you forgot to send money along with your child today please send to the office this week.

Confirmation Eucharist

School based small groups for Confirmation Eucharist will begin next Wednesday, after lunch here at school. Students will have a workbook "Our Times Together", which they will work through each week with their group leader. Some activities will be completed at home with parent support if possible.

A red note will be sent home today with further information and the date of your child's Confirmation/Eucharist ceremony.

Have a great week everyone.

Fourth Week of Lent (school week beginning 15th March)

Arsad, an Indonesian farmer, had no toilet in his house, so always had to walk into the forest to the open defecation area. His family was often sick and open defecation caused many neighbourhood disputes. With the support of Caritas Australia and its partner agency, Laz Harfa, Arsad took part in hygiene, sanitation and financial management training. He then funded the building of a toilet in his house and helped other community members to save money to construct their own toilet.

Now, Arsad's family is healthier, their community no longer practices open defecation and is more harmonious. Arsad inspired his community to 'Be More.'

- Around 17 percent of Indonesia's rural population, or 45 million people, practice open defecation – going to the toilet outdoors in fields, forests and other open spaces. ([World Bank](#))

NATIONAL RIDE2SCHOOL DAY

Friday 19 March 2021

National Ride to School Day

The children of Sacred Heart are invited to participate in the National Ride to School Day this Friday, March 19.

National Ride to School Day is a community initiative aimed at raising awareness of health, road safety and transport. Your child is encouraged to ride their bike safely to school from two meeting points. Teachers will gather at each meeting point to join in with the ride to school. We encourage children to meet at one of the following locations:

1. WB Hunter Home Hardware car park on the Murray Valley Highway; and
2. Shire Hall on Belmore Street.

We aim to gather at 8 am so that we can leave all locations by 8.10 am. This will allow us to arrive safely at school by 8.20 am. Younger siblings and parents are welcome to join in on the ride. We hope to see you this Friday morning!

Hi, my name is Rylea Brown and I shaved my head on Friday 12th of March to raise money for Worlds Greatest Shave Leukemia Foundation.

I was not nervous but excited! I knew I was doing a great thing and it's only hair!!! Plus, my friends think I look cool!

I have raised approximately \$1,800 and I really would love to reach \$2,000. It's not too late to donate if you just go to the Worlds Greatest Shave website and search my name.

My great grandma and a family friend both passed away from Leukemia and this was my main reason to bring awareness. Thanks to everyone who has donated already and again, if you could spare anything I'd be appreciative!

Thanks everyone.

Last Friday some of the year levels participated in the 'Richmond Tigers Virtual Zoom' catch up. Many schools from across the North East listened to some Richmond players chat and students got to ask questions. At the end of the zoom, all schools got to participate in a Kahoot Quiz about all things Richmond. Miss Ackerly and the Yr 3's represented our school and they won the quiz! Winning the quiz meant that our school won a Richmond Football Club jumper signed by all the players! We will raffle or auction this jumper and all money raised will go towards the 'Rosemary Cullen Foundation'.

Congratulations to our amazing Foundation teacher Kayte Barton who married Clay Runnalls on Saturday 6 March 2021. You were a beautiful bride Mrs Runnalls!!!!
