## Congratulations

Congratulations to Mia Crothers and the' BORN@PERFORM' Dance troup for winning National Championships in both Jazz and Hip Hop. The event was held at Jupiters Casino on the Gold Coast. A great result for these young stars. Well done girls!

## Week 2 of Lent

The focus for us and Caritas this week is the people of Niger. Our donations help save the lives of people in this country living on the brink of survival, giving them access to nutritional support and essential support for life. Any family who would like their own Project Compassion box or more information on the work of Caritas please feel free to contact Meegan at school.

## Children's Mass

While I wasn't able to attend Sunday's Children's Mass, the feedback I received was extremely positive about the numbers of families who came along and the involvement of the children. A big thank you to all those who came along; especially Meegan who led her first Children's Mass as our new Religious Education Co-ordinator.

## Car Parking

A couple of reminders here! Firstly, please be careful parking in the dirt area beside the kindergarten as we did have one issue with a parent using this area last week. I have made contact with the Council about what we are entitled to do here but I would urge you all to be aware if you are parking on the gravel outside the Kinder. Also, after the tragic events of last week with a young child being left in a car in the hot sun it is timely to remind everyone of the dangers of this practice.
Peace and best wishes,
Paul

## ‘LEARN TO LOVE TO READ'

## JOIN THE PREMIERS' READING CHALLENGE 2015

Sacred Heart Primary School will soon be registered for the PRC. Students with completed participation consent forms will then be registered on line. This occurs when parents complete the 2015 Participation and Privacy Consent forms for Sacred Heart Primary, Yarrawonga. Completed Participation and Privacy Forms are sent through the school office tubs to the library for collation. Please complete and send the form to school by the end of Term1, 2015. If you require a Parent Consent form please ask your child's teacher or myself. The challenge closes June 19th, 2015.
Students in Foundation to Year 2 who accept the challenge read or experience 30 books during this period. Students in Years 3 to 6, who accept the challenge, read 15 books in this period.
Students choose most of their books from the Challenge book list and record their reading on the Premiers' Reading Challenge checklist (yellow form). Parents need to sign the Premiers' Reading Challenge Checklist to verify that the student has read the books. This yellow form is sent to the library so the reading data is entered online. Students from Foundation to 2 may choose 10 books of their choice and students from Years 3-6 may choose five books of their choice.

Tubs of PRC books will be placed in each Learning Space for easy accessibility to assist the PRC. The tubs of books will be clearly labeled and in place by Thursday. Any queries please see me or your child's teacher. Thank you for your participation in this venture, we love to promote reading and fun. We are already off to a great start with many Consent forms arriving at school. Thank you.

Danielle has a great understanding of her kids and their development and she is vitally interested in our school and its operations. She takes great interest in all aspects from curriculum to building and design and her ideas are based on the consideration she shows for all members of our school community. Danielle is always up for a chat and would love to catch up with families to discuss the wonderful opportunities available to our kids. Congratulations and we look forward to working with Danielle.

## Hello and welcome to my first RE report.

Thank you to everyone who has made me feel so welcome to the position. A special thanks to Sidony for all her help in making the transition smooth and for all the work she has done in RE over the last two years. She has left me big shoes to fill. I will be working at school on Thursdays till 1.00 and all day Friday. Any concerns please feel free to contact me at school on these days or anytime via my email mmcinness001@shyarrawonga.catholic.edu.au This is a very busy term with Lent, Easter and our Eucharist/ Confirmation Sacramental program starting shortly.

## Ash Wednesday

Well done to all our students and the way they participated in our Ash Wednesday ceremonies. The Year 3-6s attended Mass with the parish and Paul received a number of wonderful comments about the children's participation and behaviour at Mass. Well done to our students and the staff who attended this Mass. The Year One and Two's participated in a liturgy here at school and also must be commended for their enthusiastic singing and participation.

## Confirmation/ Eucharist

Just a reminder to our Year Four parents, those purple enrolment forms need to be returned by this Friday at the latest, so home based groups can be finalized before our Parent Information evening to be held next Wednesday evening at 7pm in the Mercy Centre. All children planning on making these sacraments need to have an adult representative at this meeting.

## Children's Mass

Our first Children's Mass was last Sunday and we had a great group of children participate in this Mass. Thanks to the children who read, carried the offertory, sang or played a musical instrument. I had a number of parishioners comment after Mass what a great job the children did so a big congratulations to you all. Thanks also to their parents who brought them to Mass and the number of staff who were also there.

Have a great week everyone.
Meegan McInness

## Check it out!

Former Sacred Heart student, Dan Howe will line up for the first time against Hawthorn tomorrow night. They play Collingwood in the NAB cup. Dan's mum, Liz works here at Sacred Heart. Keep an eye out for Dan out on the field.

## Pastoral Wellbeing

## Janine Buerckner

jbuerckn@shyarrawonga.catholic.edu.au
If you have any issues that you'd like to discuss, regarding your children's education or their social or emotional wellbeing, please feel free to come and see me - my office is in the Admin Block.
Our Breakfast Club is held each Wednesday and Friday mornings, before school. Our dedicated and hard-working St Vinnie's volunteers would be very grateful of some help during the 'rush' time of 8:15am till 8:45am. If you are able to offer some assistance please drop in and see them. The Breakfast Club operates from the canteen.

Over the next few weeks, I will include tips from Michael Grose, an excellent parenting educator, on how to help your children achieve success. If you would like to get more tips and advice from him, you can go to his website at www.parentingideas.com.au.

## LITTER FREE LUNCHES

Over the past 12 months we have been trialing Litter Free Tuesdays. Children were encouraged to bring no rubbish to school each Tuesday. We removed the bins from the yard and any rubbish or waste was taken home by the children. This year we're hoping to become a "Litter Free School". This will mean children will be encouraged to bring no rubbish to school from Monday to Friday. As mentioned during the information sessions last week, we will be starting as a Litter Free School next week, Monday $2^{\text {nd }}$ March. A note will be sent home on Friday providing further information regarding Litter Free. Thanks

## Music Mrs Cussen

Sean Choolburra was everything we hoped he would be yesterday. He was vibrant and captivating as he interacted with the children. Sean had so much energy as he told us his stories from the past. Through dance and songs he shared his culture. He made us laugh and engaged the audience well. He wowed us with his fire creation from sticks and coconut fibre. We loved his didgeridoo playing. I was so thrilled with how the children listened and participated and as one Prep said on his way out, "It was the best day of my life".
Thanks to the Fires Carriers who did such an awesome job setting and packing up. A day to remember. Thanks everyone. Christine Cussen will help.

One way to help your child achieve at school is to work together with your child's teacher. The parent-teacher partnership takes work from both sides to become a reality. Here are some ideas that

There's no doubt that the best outcomes for kids happen when teachers and parents work together to support children's learning. Here is number 7 of 10 ways you can work with your child's teacher to maximise your child's chances of school success. (The rest will follow during the term).

## 7. Respectfully seek joint solutions to problems and difficulties

Resist the temptation to solve all your children's problems or think you have the only solution. Most learning and social problems can be resolved when teachers and parents work together in the best interests of the child.

Posture Pose to increase core strength, necessary for good posłure.

Good posture $=$ good writing.
Have your child raise their head, elbows, shoulder, upper chest, feet and legs (including thighs) off the ground. Make sure that the neck is not in a strained position. Count to twenty. Increase time as strength develops.

THIS WEEK IN MATHS WE HAVE BEEN INVESTIGATING PATTERNS

Thanks to those parents who were able to make our Information Session last week. Hopefully you have a better insight to the goings on in the discovery centre. This week we have Parent/Teacher interviews. This is a great way to touch base at the beginning of the school year and look at how your child has settled in to the new school year. Please note Kayte Barton is unavailable on Wednesday so she has made herself available on Thursday for parents. Thanks Kayte.

## Encouraging Independence in the Discovery Centre

As mentioned at our information session last week, we are encouraging the students in the Discovery Centre to become more independent and responsible for their own things. We are encouraging the children to carry their own bags and upon arrival at school we would like the children to put their bags in their class line in the quadrangle. When we begin our morning children will be responsible for unpacking their own bag and putting their fruit break and drink bottle on their desk. We would also like the children to put notes in the office tub and lunch orders in the lunch order basket. They will be reminded of the above-mentioned items and supported in becoming more independent. We would also like children to change their own readers. Each class has a time allocated for changing readers and this is a great opportunity for students to become more independent and responsible for their own belongings. We are asking for all parents to support us in this endeavour.

What's On?
Wednesday $25^{\text {th }}$ : Parent/Teacher Interviews
Thursday $26^{\text {th }}$ : Parent/Teacher Interviews
Week 5 (beginning March $2^{\text {nd }}$ )
Observation Survey testing
Monday $9^{\text {th }}$ March Labour Day holiday

Reading Tip
Don't leave home without it Bring along a book or magazine any time your child has to wait, such as at a doctor's office. Always try to fit in reading!

## DISCOVERY CENTRE AWARDS

Hunter Irvine for a brilliant start to the year, for making good choices and for being a positive role model to others. Keep it up!
Gemma Kelly for conscientiously applying your best efforts to all areas of the curriculum. You are a great role model for others, Gemma!

Hayley Galpin (6L)- for demonstrating a really mature approach to the planning and completing of your work

## Prep Buddy Assembly and Morning Tea

Last Friday we had the first of our Prep Buddy assemblies. Prep A and their Year 6 buddies did a fantastic job. We heard from some nervous Year six students and their cute buddies. We hope that parents, family and friends can make it along next Friday morning. All are invited to stay back after assembly to enjoy morning tea on the deck of the Mercy Centre.

The Leadership Centre students attended the Ash
Wednesday Mass in the church last Wednesday. Well done to the students who were excellent and respectful throughout the Mass. Thanks to Mrs Kelly and all our parent helpers and who did a great job preparing and serving pancakes last week to raise money for Project Compassion. The students also had a great time with Sean Choolaburra and his creative talents yesterday. Thanks Mrs Cussen for organising this.

## Coming Up....

* Don't forget to get your entries in for the Splash and Dash.
* Cricket Trials for any boys who play regular weekend cricket in Years 5 \& 6 will be held this Friday.
* Cybersafety Session for parents of Yr 5 students- March $5^{\text {th }}$
* Regional Swimming- Wednesday 4 ${ }^{\text {th }}$ March.

## Congrats Fatima

It was great to see our senior students join in with the fun and excitement of the swimming carnival last week. The support and encouragement was fantastic. Congratulations to Fatima (Red) House on taking out the winner's trophy, but to all teams well done on your participation and effort throughout the day.

Well done to the members of our Divisional swimming team who represented the school so well in Wangaratta yesterday. Good luck for those competing in Regional swimming in Shepparton next week.
