### Thank you

It's hard to believe that it's mid year and Terms One & Two have been completed! Thank you to all the children and staff for all their hard work, to the families and their support from home and for all the wonderful achievements by the children in the year so far. Reports and Learning Journals will go home today, unless notified by centres otherwise. We wish all our families a safe and happy holiday.

Earn & Learn Earn & Learn is back for 2015! Beginning on Wednesday July 15<sup>th</sup>, anyone from our school community- parents, students, staff, family and friends, etc. can collect stickers to place on their sticker cards. For every \$10 spent at Woolworths, you receive one sticker. In the past few years we have been very fortunate to receive educational equipment via the successful support of the stickers from families in our school. More details will come in the newsletter first week back.

### Mr Price

All the best to Mr Price as he heads off for six months of well-deserved leave! Mr Price will be away for the next 6 months, getting in plenty of travel, some around Australia and a little work on his tan as the weather warms up! The support Mr Price has given centres in the first half of the year has been much appreciated and this role will continue in a similar fashion next term. Further details of this role will be outlined in next term's first newsletter. On page 3, Mr Price has a message for our school community. Check out page 11 too!

Cheers. Dean

### Bon Voyage- From Mr Price

This Friday I finish up for the rest of the year (Wow!). Karen and I are off to Vanuatu for a couple of weeks and then back to travel to the Gold Coast, Darwin and out to Maningrida, with my mum and brother, to see my son, Bernard, who will make me a grandfather in October (I know I don't look old enough). Then off to Mt. Isa, Normanton, Cooktown and Cairns. We will be back in mid September for Karen to go to Kakoda with the P-12 (and me to play golf!). We are returning to Cairns in early October and will drift down the East Coast to be home in time for the last week of school. We are having Christmas at home and then going North again for three weeks returning in mid-January in time to be prepped up and ready to jump back in to school again in 2016. I have enjoyed the experience of working across the school this year and I am in awe of the fantastic commitment Paul and our entire staff make to every child individually and as a group. My own children attended school here and I know that they are the people they are today because of the care and concern our staff show to the kids in their care. Father Steve, our School Board and Parent Engagement Group continue to develop our school to be the best that it can and they work cohesively with the staff to ensure the best possible outcomes for all our kids.

I will be keeping in touch with the kids via blog and I am really looking forward to the experiences ahead. May God continue to Bless you and your families, enjoy the rest of your year and I look forward to catching up in the not to distant future.

Living the Dream eh! (said with a Queensland accent!).

Mick.

We really appreciate your generosity of spirit and our children's learning will benefit from your kindness. The team would warmly welcome further volunteers if you were able to give an hour of your time occasionally.** The Breakfast Club operates from the canteen.

Have a happy, safe and relaxing holiday.

### **Kinship Care Support Group**

Kinship care is if relatives, or a member of the child's social network, provides the care when the child cannot live with their parents. Kinship care support groups are offered to enable carers to come together on a regular basis to share stories and experiences with others in a similar circumstance. It's a place you can share your true thoughts and receive advice and information.

When: Every 2<sup>nd</sup> Tuesday during school Terms

Time: 10.15am – 12.00pm

Venue: Yarrawonga Neighbourhood House (YNH)

### **Lost in concentration** Michael Grose

Electronic devices such as tablets and mobile phones are ever present. They are heaps of fun, the source of so much knowledge and a great way to stay in touch with others. The flip side is that their hypnotic effect is powerful so that frequently all our concentration is directed at them rather than our kids.

There are five BIG opportunities available to you as a parent if you choose to be in the moment when you have children.

#### **3. Impact their thinking**

Influential British educator Charles Des Forges says, "If you want to influence your child's thinking then you need to talk to him/her. If parents want more influence then they need to talk more to their children." According to Des Forges, it's through the conversations that parents have with their children that they impact the way they think, as well as influence their values. Nothing kills personal conversation with a child or young person like a mobile device.

#### **4. Build relationships**

Relationships are built through common interest, good intent and respectful behaviour. I can think of no better reason for being in the moment with your child than the opportunity it presents to build some common interest and rapport. It's reassuring to know that you've made plenty of deposits of goodwill to draw on, particularly in the tricky teenage years.

#### **5. Build memories for you**

As a parent of adult children, I now treasure the memories of times I was fortunate to have spent with them as young children. It's strange how these memories resurface at the most unexpected time. Recently, I was in a supermarket and I remembered the time when I enthusiastically asked my youngest, who was three at the time, to get the box of cereal with the big red K. Off she went feeling all important and returned, with a triumphant smile, armed with a box of dog food. "Thanks darling. Nearly!" was my reply, desperate not to quell the enthusiasm to help that only a three year old can have.

The key to positively influencing your kids, building strong relationships and building enough fond memories to last a lifetime is to make sure that your mind is where your body is and be fully present when you are with your kids.

### Children's Chatter Matters!

Language Learning activities to have a go at home.

Ten activities will be provided over this term to help your child think a little bit deeper about the world around them and to use longer and more complex sentences. Expanding your child's oral language use will lead to significant improvements in their writing also. You may need to adjust the activity to suit your child's level:

\*\* Encourage your child to use more interesting sentences by using a variety of adjectives (describing words) and adverbs (words that describe verbs)

How many adverbs can they add to these sentence stems:

(Swiftly, slowly) The old man walked (quietly, timidly, with an odd gait)

(Loudly, energetically) The children played (boisterously, peacefully)

We were all speaking.....

Get your child to find the adjective and adverbs in their stories and act them out to help them develop meaning.

\*\*Here is a list of fabulous books, to read with your child, that model complex sentences and rich vocabulary:

'Fancy Nancy' series by Jane O'Connor

'Fearless' by Colin Thompson

'Clancy the Courageous Cow' by Lachie Hume

'Suddenly' by Colin McNaughton

'The Terrible Plop' by Ursula Dubosarsky

'The Three Little Bush Pigs' by Paul Dallimore

'Giraffes Can't Dance' by Giles Andreae & Guy Parker-Rees

'Herman and Rosie' by Gus Gordon

'Window' by Jeannie Baker (You will have to make up the sentences for this one!)

## COACHING FROM AT LEAST ONE INTERNATIONAL MASTER! AND ALL OUR OTHER TOP COACHES.

Our theme for the 2014 chess camp was "DEFENCE".  
 So the theme for 2015 will be "ATTACK".

Immerse yourself in chess for 4 days with other like-minded and equally talented and dedicated students and many brilliant chess coaches (including at least one International Master).

We will be staying at a holiday park on the shore of Lake Hume, outside Wodonga, Victoria.

We have booked a range of cabins and lodges - all with ensuite and linen provided. Students have the option to attend with parents or be supervised by our group leaders. Lake Hume is a beautiful holiday spot around 3hr 30min drive from Melbourne.

**OUR HOLIDAY PARK HAS A NUMBER OF RECREATIONAL FACILITIES INCLUDING:**

- Outdoor swimming pool (for the very brave in July!)
- Jumping pillow and in-ground trampoline
- Basketball ring
- Volleyball
- Tennis Court
- Games Arcade
