Welcome Back

Welcome back to all our students, staff, families and a chilly start to Term Three! We hope that the holidays were a safe and refreshing one for the students. The term ahead sees lots happening in the learning spaces as well as some school community events. One of those is the Grandparents Day liturgy happening on Friday 24th July at 10am. It's a special day and one that is always well supported by our families and friends. Another one for the diary is Parent Teacher Interviews to be held in Week Four. More details will come regarding the interviews in the coming weeks.

Earn & Learn Earn & Learn begins today! Anyone from our school community- parents, students, staff, family and friends, etc. can collect stickers to place on their sticker cards. For every \$10 spent at Woolworths, you receive one sticker. In the past few years we have been very fortunate to receive educational equipment via the successful support of the stickers from families in our school.

Thank you Sacred Heart

Mr Price may be on Long Service leave but he is still doing his bit in passing on his well wishes and a generous donation of 47, 892 Vatu (\$560) to the Sacred Heart Port Villa Primary School in Vanuatu. What may seem like a small donation is going a long way in supporting the school after recent events. Mr Price mentioned last term in the newsletter that the Sacred Heart School in Port Vila, offer a breakfast and lunch program for their students similar to our own breakfast program here at school. During the cyclones their gardens were decimated and they were struggling to run their program until the gardens regrow. We thank all our school community for their donations and look forward to hearing about their progress.

Cheers. Dean

Sacrament of Reconciliation

Thanks to all those families who have returned the Reconciliation note. If you still haven't done so could I please have them back ASAP.

The program commences with a Parent Information evening on July 29th at 7pm in the Mercy Centre and every child participating in the program, needs to have an adult representative at this meeting. It is not necessary for the children to attend. The 4 week home based program will then commence and the culmination will be the Reconciliation Ceremony at Sacred

Heart Church, on September 8th at 7pm. If anyone knows of any children who would like to be involved in the Sacramental journey, but do not attend Sacred Heart Primary could you please ask them to contact me at school or via my email.

Grandparent's Day

We will be celebrating Grandparent's Day in conjunction with the Feast of St Anne and St Joachim, (Jesus' grandparents) with a liturgy on Friday 24th of July at 10 am in the Mercy Centre. We hope to see many Grandparents there to help us celebrate this special feast.

Children's Mass

Our first Children's Mass for Term 3 is to be held on Sunday, July 26th. It would be great to have some new faces involved so if your child would like to participate in this Mass please email me.

EARN & LEARN 2015

We are excited to be taking part in the Woolworths Earn & Learn program. You can help our school by collecting Woolworths Earn & Learn Points. Just collect Woolworths Earn & Learn Points when you shop at Woolworths between Monday 15 July and Tuesday 8 September 2015. We will redeem these for awesome educational resources for our school.

Simply pop them onto a Woolworths Earn & Learn Points Sheet and once it's completed, just bring it back to school or drop it into the Collection Box at your local Woolies. The more we collect, the more we can redeem. There are thousands of products available through the Woolworths Earn & Learn program, and we'd like to get lots of new gear! Products in the range include resources for mathematics, English, science, art & crafts, through to sports gear, library supplies and more.

We are grateful for your support and look forward to a successful program. If you have any questions, please ask at school.

10 Golden Rules for Parenting Success in 2015

Michael Grose

The requirements for effective parenting are changing rapidly, just as the profile of parents is changing. Australian parents are now older than ever (30-34 is now the peak child-bearing age group). Families are smaller than ever (over 50% have two children or less). And as children as a percentage of the population shrink (1 in 6 of our population is under 15, compared to 1 in 3 in developing countries), we are less knowledgeable about children than ever.

If you add to this mix that children are growing up at the speed of light, information technology can make parents seem redundant, and increasingly parents claim lack of time is their biggest impediment to effective parenting. So what is a parent to do?

Each week, this term, I'll include one of Michael's 10 golden rules to guide you along your parenting journey in 2015:

1. Talk more

With families shrinking, kids getting busier and tech devices rapidly multiplying the opportunities for family members to engage in face-to-face talk is under serious attack. Regardless of their age, the best way to influence your children is talk to them. The kitchen table is one place to do this, but there are plenty of other places where you can talk. If talk becomes difficult, try driving with a child or young person in the car with the radio off. They are bound to break sooner or later.

For a regular supply of great parenting ideas subscribe to Happy Kids email newsletter at parentingideas.com.au

Children's Chatter Matters!

Language Learning activities to have a go at, at home.

Ten activities will be provided over this term to help your child think a little bit deeper about the world around them and to use longer and more complex sentences. Expanding your child's oral language use will lead to significant improvements in their writing also. You may need to adjust the activity to suit your child's level:

** As you read a story with your child, practise breaking up sentences into words. Say a sentence, and encourage your child to repeat it out loud. Then, ask your child to tap, jump or count on his/her fingers the number of words in the sentence. This is important to help your child hear and discriminate word boundaries. For example, 'Tap for each word you hear in this sentence: "It is racing after me". (5 taps).

For older kids, say a sentence out of their reader/book and see if you can reorder the words to make new sentences. For example, the sentence, "I can run fast and swim far." can be reordered to make: "I can run far and swim fast." or "Can I run fast and swim far?"

Here are some sentences to start you off (remember to choose sentences from your child's book/reader):

- a. Mike has a red lolly and Sarah has a blue ball.
- b. She went to the shops after she went to the pool.
- c. Please move quickly to the door.
- d. Lucy painted a picture of Mike while he rode his bike.

Camp Notes

All the children in Year 6 have received their camp notes. Year 5 notes will be going home by the end of the week. Please make sure these are filled out and returned asap. Year 5 camp note is in week 7 this term (Sun 23rd - Tues 25th Aug) and Year 6 camp is the 2nd week of term 4.

Times Tables

As you would have read in the children's reports, all our Numeracy work in the Leadership Centre centred on number and place value in Semester One. As we begin moving into other areas it is really important for the children to continue practising their times tables daily. Although this will be done at school, we are asking for your help to continue the practise at home to give the children the best chance of learning and understanding their tables. This will help them in all other areas of their Maths.

Jumpers

With the cold weather well and truly upon us most of the children in the Leadership Centre have been wearing their jumpers. Unfortunately when the children take them off during the day we are finding many jumpers have no names. PLEASE ensure all jumpers are clearly named so that they can be returned to their owner if found.
