Pupil Free Day - Friday

Just a reminder to everyone that this Friday 14th August is a Pupil Free Day with all staff gathering together under the guidance of Anne Sexton. Anne will look further at how we are attempting to develop a culture of Professional Learning Communities here at Sacred Heart and give us supports and strategies that will assist us on the journey. Classes will resume as normal on Monday 17th August.

School Fees *We are now well and truly passed the half way mark of the year and I would encourage everyone to have a look at their accounts to determine how much is outstanding and how you can go about covering the debt before the end of the year. Thank you to those people who are making regular contributions to cover the Fees and Levy costs associated with educating your children. Please make an appointment with me if you require any additional support in paying your fees. There are a number of ways we can provide assistance if necessary.*

Parent Teacher Interviews

Thank you to all those parents who took the opportunity to make contact with your child's teacher for our August Parent Teacher Interviews. I would encourage all parents to maintain regular contact with your children's teacher. It is the partnership between the home and the school and the strong relationship you create that will enable your son or daughter to experience their greatest success at school.

Sacrament of Reconciliation – Children's Presentation Mass

It was wonderful to see so many children attend the Presentation mass on Sunday. They did a great job and are busy working through the Home Based Program at the moment.

Acknowledgement of Traditional Custodians

Sacred Heart acknowledges the traditional custodians of the land on which this school is built. We commit ourselves to working in partnership with Aboriginal people for reconciliation and justice.

HELP NEEDED!!

The Parish and the church are asking for volunteers to clean the church. It is a big ask for the small teams of parishioners and for some teams, it is getting beyond them. If you can spare a few hours and can assist, please get in touch with the school office admin or the Parish Office. Thanks. Lynne Brear.

10 Golden Rules for Parenting Success in 2015

Michael Grose

The requirements for effective parenting are changing rapidly, just as the profile of parents is changing. Australian parents are now older than ever (30-34 is now the peak child-bearing age group). Families are smaller than ever (over 50% have two children or less). And as children as a percentage of the population shrink (1 in 6 of our population is under 15, compared to 1 in 3 in developing countries), we are less knowledgeable about children than ever.

If you add to this mix that children are growing up at the speed of light, information technology can make parents seem redundant, and increasingly parents claim lack of time is their biggest impediment to effective parenting. So what is a parent to do?

Each week, this term, I'll include one of Michael's 10 golden rules to guide you along your parenting journey in 2015:

5. Lead the gang

Parenting is now an individual endeavour. There is a place for parenting the individual child, but there is also a place for parenting the whole gang (even if you and your child make up the gang). Your ability to pull your family together and get them singing off the same song sheet will impact on your family's harmonious relationships, your children's sense of other (empathy) and their general resilience and coping mechanisms. There is nothing so magical to witness as a family pulling together when the chips are down. This doesn't just happen. It takes real leadership by parents to make a family act like a family!

For a regular supply of great parenting ideas subscribe to Happy Kids email newsletter at parentingideas.com.au

Children's Chatter Matters!

Language Learning activities to have a go at, at home.

Ten activities will be provided over this term to help your child think a little bit deeper about the world around them and to use longer and more complex sentences. Expanding your child's oral language use will lead to significant improvements in their writing also. You may

need to adjust the activity to suit your child's level:

** Encourage your child to listen to sounds at the *beginning* of words. Choose two words from their reader/book and ask them to judge if the two words start with the same sound (say some that match and some that do not). Encourage them to say the two words and feel the first sounds with their mouth. Then, point out the two sounds at the start. For example, "Mouse and Moon start with the same sound.... Mmmmouse, Mmmmoon. They both start with the 'mmmm' sound".

Once your child is able to recognise when words do/do not begin with the same sound, encourage them to try to name the first sound (be sure they say the sound, not the letter name). You might then like to think of other words that start with the same sound together.

For students who have a strong awareness of first sounds, try making up tongue twisters and sentences using the same first sounds. For example: Silly Simon searched for seagulls while he sang a sweet song by the sea.

Thank you Sacred Heart.....Earn & Learn continues until 8th September!

Earn and Learn is really going well for our school community! Many stickers are being put into the Earn and Learn boxes at Woolies and here at school. Keep collecting for another 4 weeks! Anyone from our school community- parents, students, staff, family and friends, etc. can collect stickers to place on their sticker cards. For every \$10 spent at Woolworths, you receive one sticker. In the past few years we have been very fortunate to receive educational equipment via the successful support of the stickers from families in our school. Grab a sticker form/s from the office if you need or just drop the stickers in and we'll do the rest!

Sacred Heart performs well in the recent Interschool Chess Tournament

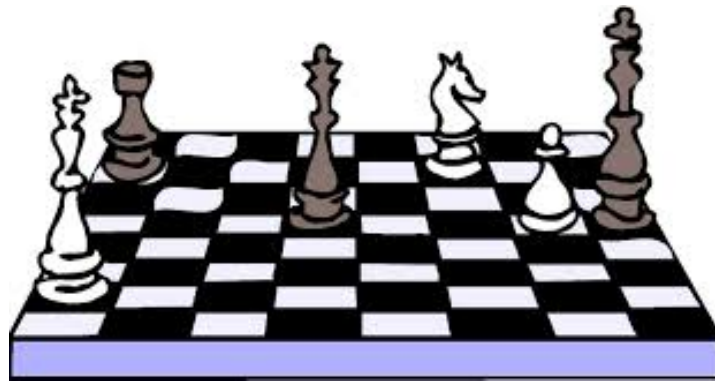

On the 4th August, ten children from our Chess Club competed at the Interschool Tournament. There were 9 schools competing and Sacred Heart came 3rd, missing out on second place by half a point. The team consisted of Daniel Herrod, Marcus Van Maanen, Max and Matthew Saxton, Jack Dobson, Darcy Hicks, William Murphy, Maeve Connell, Hunter Looby and Jetta Norrish.

Daniel top scored for our school with 6 out of 7 wins. Marcus had 5 & ½ wins, Max 4 & ½ and Jack 4 wins each. Many of our team are new to tournaments so this was an excellent achievement for them. Individually Daniel won a silver medal for coming 2nd overall out of 91 children and Marcus came 4th, a fantastic achievement by both boys.

Overall, the children had a great day. Thanks to Deb Herrod, Mrs Carpenter and Mrs Ackerly for supporting the children on the day. If you'd like your child to participate and learn the game of chess, they are most welcome to join the Chess Club, held each Wednesday at 1.10pm in the Art room.
