Newsletter Term 1 Week 9

MINI BLITZ- Week 9
"Say NO to bullies and don't watch on. Step in if you can, cause Bullying is wrong!"

Dear Parents,

It's hard to believe that the term has come to an end. To fit so much into Term One, the break is a timely one. Many events occurred over the term including our new Preps starting their school journey, Opening School Mass, Information night, Parent/Teacher Interviews, Swimming Carnival, First Aid for students, Life Education Van, Caritas Ks, Representative Sport, Easter deliveries plus much more. Not forgetting all the learning and teaching along the way as well. Throw in a bomb scare and the term has been a very busy one! The staff appreciates the on-going support and communication between home and school. Term Two will soon be upon us with plenty more happening as the year progresses.

Andrew Chinn- On Monday 11th April, the first day back, our school will be fortunate enough to have a special visitor, Andrew Chinn, joining us to work with the children and also lead a concert for the school community that night. Andrew visited our school back in 2009 and the students thoroughly enjoyed the workshops and concert. Mrs McInness has outlined details further in the newsletter. We hope you can come along on the Monday night and enjoy lots of singing, dancing, colour and fun.

Final Day- A big thank you to Mrs McInness for co-ordinating the events of today. The Easter Liturgy in the morning was a success with the students gathering in the Mercy Centre for the Easter Liturgy. The Yr 6's lead the majority of the liturgy. Following the liturgy, the college students joined the primary students to walk many, many laps of the track in support of Caritas Ks, followed by a sausage sizzle lunch. We thank the students and families for the kind donations towards Caritas. Also, a thank you to all the families who made a contribution to our Parents and Friends Easter Raffle today. There will be some excited families after the names were drawn during the lunch break.

School Board- At our recent School Board meeting, the board continues to look at ways to support our children, families and staff as we grow each year. Some of the recent developments include looking at future planning and buildings for our students, grounds and maintenance including more trees, shade, etc. With the increase in our traffic, safety around entering and exiting the entrances to be a focus as the year progresses and with our student learning, staff taking on a project to focus on how we can improve reading results across all centres.

Thanks and best wishes for a safe and relaxing break,
Dean

Religious Education Meegan McInness

Caritas Ks

Thank you to all students for their participation in today's Caritas Ks. It was an amazing sight to see nearly 700 students walking around our school with buckets of water. Apart from the opportunity it gave for our students to walk in the shoes of those less fortunate it was a great day to share with the whole Sacred Heart Community. A big thank you for all the donations of money for Caritas and for entering into the spirit of the day so well. Money can be returned early next term. Thank you also to all staff from both schools for their effort today.

Andrew Chinn

First day back next term we are very lucky to have well known religious singer Andrew Chinn join us for a day of workshops and a concert on Monday evening in the MPB at Sacred Heart College. Each class will spend time with Andrew during the day and then will be apart of the concert that night.

We hope to have all children and families join us at the concert. We sing many of Andrew's songs at our masses and liturgies and the children love singing his songs. Hope to see you there.

Term One has finished and over the next few days we commemorate and celebrate the death and resurrection of Jesus. Please take the time to remember the most important week in our Church year.

I wish you all the blessings of Easter and hope you have a safe holiday.

CONGRATULATIONS

Sacred Heart Primary School congratulates Jetta Norrish (3H) and Skyla Norrish (PM) on the arrival of their new baby brother Bodhi and a new son for Megan and Paul. Welcome Bodhi.

DINOSAUR SCIENCE

This week we had a visit from a funny yet very informative paleontologist. With the help of the audience he assembled a life sized plesiosaurus and an ancient brachiosaurus, all the while engaging the audience and captivating our imagination of a time long ago. Throughout the show problems were solved and assumptions made, some are dismissed while others are plausible, even probable. The children's interest has been sparked by this performance and if you would like to go to the museum over the school holidays there is a Jurassic World exhibition on, which is fabulous. 19th March till 9th October

BOOK FAIR 2016

Please keep the week of 2nd-6th May in your diaries to enjoy our Annual Book Fair here at Sacred Heart.

SYMPATHY

The Sacred Heart Primary School community, extend their sympathies to Jack Burns (1/2W) and Lily Burns (3G) on the passing of their grandfather and Rebecca's father.
