

Be Safe, Be Respectful, Be Your Best

2017 Term 2 Week 2 Newsletter

MINI BLITZ- Week 2
'Watch what you say, cause you know if it's ok.'

Thank you all those who braved the weather to participate in the Dawn service and the ANZAC Day Marches. It was great to see the student, parents and staff of Sacred Heart so well represented.

Car Park

Staff will continue to be present at the drop off and pick up zones this week. It is imperative that we continue to model safe practices when picking up our children from school. The wet weather will also require us to be a little more patient!

School Fees

Just a reminder for families who have yet to attend to school fees for 2017. Direct Debit options are available. Please contact Heather Keenan if requiring more information about this.

Presentation Mass

Well done to all our students, who are about to receive the Sacrament of Confirmation and Eucharist, on their participation at Mass on Sunday. We were all very proud of you.

Year 4 Camp

On Thursday, our Year 4s will be heading off to camp at Charnwood Outdoor Centre, Benalla. We hope they all have a wonderful time with many adventures to be had.

Football

Football season has begun in the playground for 2017. As this is school yard football we have a responsibility to ensure all our students are safe therefore we have a 'no tackling rule' unless the game is umpired by a staff member. This will be rotated so all grade levels will get the opportunity to practice their skills.

Have a great week.

Take Care

Caritas Ks

Thank you to all the families for their wonderful support of Caritas Ks this year. We know it was a time when a lot of demands were put on families financially however we appreciate that many were able to collect and or donate sponsorship money. Our total raised was an amazing \$3034.30 which will go along way to help those less fortunate than us. If any one still has a sponsor book or money at home could it please be returned by Friday. A very big thank you also to our Year 6 Social Justice team who raised \$76 making and selling wrist bands. It is wonderful to see such enthusiasm from this group of girls. Great leaders of the future!

Children's Mass

Thank you to all the children and families who attended the Presentation Mass on Sunday. It was also wonderful to see so many staff present. A reminder for those children unable to attend last Sunday that the next Presentation Mass is Sunday May 21st.

Dates

This term is a very busy term and here are some important dates for your diary.

May 12th: Mother's Day liturgy

May 21st: Presentation Mass for Confirmation Eucharist candidates

May 26th: Confirmation Eucharist Ceremony and Spirit Day.

June 23rd: Sacred Heart Day

Mother's Day Liturgy

This is a very special celebration as we affirm our Mum's and the special ladies in our life how important they are. We will have a liturgy at 10 am in the MPB at Sacred Heart College and then all guests are invited to stay for morning tea. Please spread the word. As part of our presentation I am asking for a photo from our prep and year 6 students of them with their Mum. If they could be emailed to me ASAP I would appreciate it.

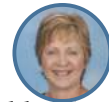

Have a great week everyone,

Mind their *#!*!# language by Michael Grose Part 2

They didn't hear that from me!

What do you do, when you know your children swear despite your best intentions? Don't over react. Try to work out its purpose. *Children swear for many reasons*, including to experiment with language; to attract your attention; to make themselves appear bigger or older than they are; and even as a challenge or expression of personal power.

Inappropriate language can also simply be a reflection of your children's peer groups. "Everyone else swears so there's nothing wrong with it" is a common attitude of many children and young people.

Teach them that language may be appropriate in one context or be accepted by one group but it is not acceptable in every situation. While not condoning swearing, get across to children that they need to learn to control their use of language and adjust it to suit the situation they are in.

When swearing becomes a habit

If swearing has become a habit for kids, *make up alternative words to replace the swear words*. One family I know had replaced certain words with fruit. They had a fruit for every situation!

Alternatively, use a penalty or fine system to make kids aware of their poor language. When you hear a family member swear, fine them an agreed amount. At the end of the week or month give the money to a worthy cause. Of course, this strategy is easier to implement when parents join in as well.

Take a long, hard look at er...yourself!

It's also helpful to *examine your own choice of language* to judge if it is an acceptable model for your children. Yep, sometimes kids will pick up their parents' language and repeat it at the worst possible time, such as when relatives are over.

The job of adults is to develop a sense of social awareness in the next generation so they can easily navigate a variety of different groups and social situations. Teaching appropriate language use is at the very heart of teaching kids to be socially-skilled. That's something we all should swear by!

Things to remember when kids swear:

- Avoid over-reacting when your kids swear. Look for the reason.
- Discuss with older children the concept of matching their language with the audience.
- Nip it in the bud before it becomes habit-forming.
- Use a penalty or fine system when kids swear in front of you.
- Model the language you want kids to use.

CHILDREN'S CHATTER MATTERS

Language Learning activities to have a go with, at home.

Ten activities will be provided over Term Two to help develop your child's vocabulary at home (you may need to adjust the activity to suit your child's level). See if you can think of more activities!

** One person says a word, such as apple or any other word they think of.

Someone else has to say another word that begins with the last letter of the word that's just

been said. In this example, they could say 'elephant' or 'extraordinary' or any other word that has 'e' as the first letter. Everyone takes turns to say a word that starts with the last letter of the previous word. The game continues as long as everyone wants to play.

Tip: If you want to make the game harder, then before you start, you could agree to use only words from one category, such as animals or countries.

Extend After School Care at Sacred Heart Primary School

Last week at After School Care we practiced our goal skills playing Basketball. We also had fun playing Bingo. We planted some seeds, ready for our Mums. For our craft activity, we made a mosquito using straws, pom poms & google eyes.

Next week's activities:

Monday 1st May: **Mother's Day Gifts** Tuesday 2nd May: **Shortbread Cooking** Wednesday 3rd May: **Snowball Fight** Thursday 4th May: **Snowglobes** Friday 5th May: **Cards for Mum**
