

# Grandparents Liturgy

July 22<sup>nd</sup> 2016

*Grandparents make the  
world.....  
A little softer,  
a little kinder,  
a little warmer!*

Our Liturgy is to be held on **Friday July 22<sup>nd</sup>**  
at **10 am** in the **MPB** at **Sacred Heart College**  
and will be followed by morning tea. We  
would love as many families as possible, and  
especially grandparents to join us.

We celebrate the Feast of St Anne and St  
Joachim on July 26<sup>th</sup>. These were the  
Grandparents of Jesus, the parents of Mary.

Grandparents play a very important role in  
our lives and we  
would like to say  
thank you to all  
our grandparents  
for all their love  
and support.

Beatitudes for Carers

**The Good Samaritan was someone who cared. Blessed are those who care:  
They will let people know they are loved.**

**Blessed are those who are gentle: they will help people to grow as the sun helps buds to unfold.**

**Blessed are those who listen: they will lighten many a burden.**

**Blessed are those who recognise their own need to receive: they will be able to give all the better.  
And blessed are those who give without hope of return: they will give people an experience of God.**

Dear Parents,

Welcome back to Term Three. I hope you were all able to find some time to spend with your children and that they have come back to school refreshed for an exciting term of learning.

2017 Prep Enrolment Tours I will continue leading these tours each morning. It has been great getting to meet all of our new Preps for 2017. Our numbers are getting quite high so if you know you have a son or daughter who'll be enrolling next year please do so asap. It is our hope to send all 'Acceptance Letters' out by about Week Six of this term.

Car Parking on Bus Stop Last term we had the odd occasion where parents were pulling up along the 'Bus Stop' area and calling for their children to quickly jump in before the buses arrived. Please refrain from this as it is most dangerous and quite illegal as well. The bus stop area is clearly marked and is specifically for the collection of students who are travelling by bus. Thank you.

Sacrament of Reconciliation The program for the Sacrament of Reconciliation seems to have flown by and next Tuesday we'll celebrate the sacrament in the Church at 7.00pm. Those children who were unable to attend the presentation Mass last term will be presented this Sunday. Please keep the children in your prayers as they make their final preparations for this beautiful Sacrament of forgiveness.

Grandparents Day 2016 – Just a reminder that our Grandparents day celebration will fall on Friday 22<sup>nd</sup> July at 10.00am and will be held in the MPB again at the College. We're looking forward to seeing lots of friends and special guests come along to what is always a very exciting day for the kids.

Thanks and best wishes for the week ahead,  
Paul

Welcome back to another busy term. Firstly congratulations to Xavier and Olly Watson and Ryder and Billy Stevens who all received the sacrament of Baptism during the holidays. What a special event for these boys, their families and the whole Sacred Heart Community.

### Reconciliation

Our Reconciliation candidates have all finished their home-based program and are eagerly awaiting the Reconciliation Ceremony on Wednesday July 20th at 7pm at Sacred Heart Church. Please keep the children and their families in your prayers.

### Presentation Mass

A reminder the final presentation Mass is this Sunday and children need to be at the church by 9.45 to receive their stole and prayer cards.

**Children's Mass:** The next Children's Mass is Sunday 17th July and all children who missed the first presentation Mass are expected to attend.

### Grandparent's Day Liturgy

## Pastoral Wellbeing

Janine Buerckner

[jbuerckn@shyarrowonga.catholic.edu.au](mailto:jbuerckn@shyarrowonga.catholic.edu.au)

Welcome back to Term 3.

If you have any issues that you'd like to discuss, regarding your children's education or their social or emotional wellbeing, please feel free to come and see me – my office is in the Admin Block.

Our Breakfast Club is held on Wednesday and Friday mornings, before school, and all are welcome. We thank the dedicated and hard-working St Vinnie's volunteers for making this program possible. The Breakfast Club operates from the canteen.

### Exploring the New Frontier in Parenting – Emotions - By Michael Grose – Part 1

It's official!

Emotions are now part of the parenting and educational mainstream!

For some time they've been relegated as a sideshow to the main events of discipline, confidence building, character building, and lately, resilience.

Not now.

The recently released movie *Inside Out* gives life to emotions in a fun, accessible way. It's a wonderful demonstration of why we must put emotional intelligence front and centre in our parenting and teaching. The quickest pathway to happiness and success is the acceptance and recognition of feelings.

Current day muse Dr. Marc Brackett, Director of the Yale Centre for Emotional Intelligence is more expansive. He says, "Emotions matter as they drive learning, decision-making, creativity, relationships, and health."

This is not to say that we ignore children's poor behaviour, neglect to set limits or not ask anything of them when they've experienced hardship at school. Accepting and recognising emotions is an added layer in our interactions with kids, which may well be the missing link in building cooperation, connection and resilience.

## CHILDREN'S CHATTER MATTERS

Activities will be provided each term, focusing on key areas of oral language supporting literacy. Feel free to adjust these activities according to your child's grade level.

Ten activities will be provided over Term Three to help your child think a little bit deeper about the world around them and to use longer and more complex sentences. Expanding your child's oral language use will lead to significant improvements in their writing also.

You may need to adjust the activity to suit your child's level:

1. Before reading a story with your child, you could use one of these trigger phrases to improve the complexity of your child's language. Model the entire phrase initially then gradually encourage your child to say the longer sentence by him/herself.

- I think this story might be about a ..... because .....
- The picture on the front makes me think about .....
- I wonder if .....
- I think I'll enjoy this book because .....
- I don't think I'll like this book because .....

Condolences to the Wood family and Nick & Sam on the passing of their grandmother, Joy Johnson. Thoughts are with them and their family.

### Sacred Heart Donation- Cash Donation and Raffle Winner- Congratulations!

Thanks to all those families and individuals who supported our Vanuatu raffle this year.

Mr. Price will be visiting Sacred Heart Parish, Port Vila, Vanuatu this week and will take a donation from our school community to continue to support their redevelopment after the 2014 cyclone.

# ATTENTION!

### **Maths Pathway Information Night- Leadership Yr 5 & 6**

This term the Year 5 and 6 Leadership students are trailing a new Maths program called Maths Pathway. This model replaces our teacher directed approach with a supported system of individualised learning. Each student will be working on different maths at the same time, according to their learning needs. It will allow teachers to work with individuals and small groups, using data to target their teaching. Students will complete a test each fortnight based on their learning path. They grow along a continuum of maths learning, never leaving gaps, and are graded against this growth.

We would love to meet with Leadership Centre parents at a Maths Pathway Information Session on **Monday 25th July at 6pm in the Mercy Centre**. It is very important that all families are represented at the meeting so that we can outline the program and show you how it works. It is also a fantastic opportunity to see how we are working in conjunction with Sacred Heart College, who are currently using the program with their Year 7-9 students.

Thanks. Lynne Lawless (Maths Co-ordinator)
