Mary's Song of Praise: The Magnificat

And Mary said,

"My soul magnifies the Lord, and my spirit rejoices in God my Savior, for he has looked on the humble estate of his servant.

For behold, from now on all generations will call me blessed;

for he who is mighty has done great things for me, and holy is his name.

And his mercy is for those who fear him from generation to generation.

He has shown strength with his arm; he has scattered the proud in the thoughts of their hearts;

he has brought down the mighty from their thrones and exalted those of humble estate:

he has filled the hungry with good things, and the rich he has sent away empty. He has helped his servant Israel, in remembrance of his mercy, as he spoke to our fathers, to Abraham and to his offspring forever."

Dear Parents.

On Monday the children celebrated Mass with our parishioners on the Feast of the Assumption. Above I've inserted the Magnificat; Mary's prayer of praise to God. I saw this prayer reflected perfectly in the Fiji Rugby Seven's Team after they won the Gold Medal the other day. They sang in praise, prayed as one and danced in celebration. They gave thanks to God for their win. They also reminded me of the spirit and the beautiful sense of joy that sport should be played in – hard and tough but fair and respectful of their opponents. What a great lesson for young people (and old people) to follow.

REMINDER - School Fees Yesterday I reviewed our current School Fees situation and was very impressed and grateful to see the commitment that so many families had made to paying off their school fees. I will be encouraging families over the next couple of weeks to make regular payments over the next six months so they can fulfil their financial commitment before the end of the year. I would also urge those families who do not prioritise school fees as important to re-think this and come in to see me if they need to discuss their situation. I have

great respect for those people who have committed to communicating with me what they are able to pay, I know this is difficult but your courage is greatly appreciated and will always be supported in a positive way.

NAPLAN Results - A reminder to all parents in Years 3 and 5 that the children's NAPLAN Results have arrived at school. A copy will be kept in their files with the original being made available to you to collect from your child's teacher.

Acknowledgement of Traditional Custodians

Sacred Heart acknowledges the traditional custodians of the land on which this school is built. We commit ourselves to working in partnership with Aboriginal people for reconciliation and justice.

Thanks and best wishes, Paul

Feast of the Assumption

On Monday we as a school community celebrated the Feast of the Assumption. This is the day we remember Mary being taken to heaven and crowned Queen of Heaven. Students in Prep to 3 participated in a liturgy here at school and Yrs 4-6 attended the Parish Mass at Midday. All students are to be congratulated on the reverent way they participated in the liturgies.

Caritas Ks

We have finally made it to the parish newspaper, The Sandpiper with a story about Caritas Ks around the Diocese. Sacred Heart features heavily with some great photos of that day included. All families should receive a copy of The Sandpiper this week.

Confirmation Eucharist

All students in Year 4 will bring home a note today in relation to the Sacramental Program commencing soon. The Information Evening is to be held on Tuesday August 30th.

Have a great week.

Pastoral Wellbeing Janine Buerckner

If you have any issues that you'd like to discuss, regarding your children's education or their social or emotional wellbeing, please feel free to come and see me – my office is in the Admin Block. Our Breakfast Club is held on Wednesday and Friday mornings, before school, and all are welcome.

We thank the dedicated and hard-working St Vinnie's volunteers for making this program possible. The Breakfast Club operates from the canteen.

HAS YOUR CHILD GONE POKEMON WILD? Michael Grose Part 3

Keep your Pokémon Go Player Safe

Pokémon Go gets kids outside roaming and exploring their neighbourhoods, which on the surface, is a good thing.

However, as one mum told me, her son's Pokémon Go experience was leading them to a local quarry, which had some obvious risks attached. So, if your kids are old enough to wander unsupervised, some quick reminders of safety rules may be in order, such as crossing a street with a phone in their pocket and only playing the game with kids their own age.

If you join in the craze then be prepared to drive your players around as many Pokémon stops are in interesting places such as parks, historical markers and other gathering spots. Different places have different Pokémon things to collect.....yes, it can get complicated, which is the intrinsic value of the craze.

So my advice for parents is to approach Pokémon Go positively and intelligently. Discover about it as much as your time, your current circumstances and your kids will allow. Join them if possible. Remember, it's a lot of fun; it does get kids exercising more than their thumbs and there are some great learnings (Maths, nature and even history)

built into the game. On the other hand, ensure that kids keep a balance in their activities so that a fun craze doesn't become an absolute, all or nothing obsession - which can so easily happen with boys.

CHILDREN'S CHATTER MATTERS

Activities will be provided each term, focusing on key areas of oral language supporting literacy. Feel free to adjust these activities according to your child's grade level.

Ten activities will be provided over Term Three to help your child think a little bit deeper about the world around them and to use longer and more complex sentences. Expanding your child's oral language use will lead to significant improvements in their writing also. You may need to adjust the activity to suit your child's level:

** If your child has Show and Tell or News in their class, practise what they will say the day before. Use these picture prompts to guide their language.

For example: Who gave it to you? Where do I use it? What do I do with it? What's it like? (Encourage a detailed description) Use joining words to describe why you brought this item along today. For example: "I like my *brand new* Spongebob toothbrush because it's *really soft* and doesn't hurt my gums.

Fundraising for the Children of Cebu **OLYMPICS DRESS UP DAY**- Thank You!

Aussie Aussie, Oi, Oi, Oi

What a fantastic effort from all students for our Olympic themed Sacred Heart Primary School dress up day. The school was lit up by different athletes and team colours. As part of the Sandhurst Dioceses Immersion Program, Miss Hillier will be visiting the children of Cebu in the Philippines in the up and coming school holidays. We asked the students to come dressed in their favourite sports outfit or a favourite athlete from the Olympic Game's. Donations made on the day go towards The Rosemary Cullen Foundation supporting the children of Cebu. This money will provide essential necessities that we may take for granted in every day life.

REMINDER- Year 5 Camp

A reminder that this coming Monday 17th August, the Year 5 students are leaving for their Ballarat camp at 7:30am. If students could be under the basketball shed by 7:20am that would be a great help for the teachers.

Maths Pathway Stationary Equipment- Yr 5/6

Just a reminder that students in Years 5 & 6 need the following equipment for Math Pathways each day:

- Red & Blue Pen Grey lead Pencil
- Rubber Ruler Headphones

ATTENTION

It has been brought to our attention that a number of Year 5 and 6 children have been using social media to communicate after school hours. At times this communication has created conflict and can cause issues both individually and within friendship groups, when at school. This is just a reminder to talk to your child about what they're accessing on their iPods and phones. For privacy and safety reasons, Apps such as *Instagram*, *Snap Chat* and *Musical.ly* are for people over the age of 12.

Parent Help- Father's Day Stall

Thank you to the parents who have offered to help at the Father's Day Stall. The timeslots are close to being filled.

We still require 4-5 parents on Wednesday the 31st August in the 10.30-12.00noon timeslot.

Please forward your name to Karen Vodusek on 0438 433 202 and your requested available time.

Any time you can afford to give us is much appreciated.

LOST

Riley Mitchell left his sweatshirt in his classroom almost 2 weeks ago and when he went to look for it the next day he was not able to locate it.

His name is written in black texta on the back of the emblem patch on the inside of the sweatshirt.
