

Sacred Heart Primary School is committed to child safety. We believe all children have the right to feel safe and to be safe.

Acknowledgement of Traditional Custodians

Sacred Heart acknowledges the traditional custodians of the land on which this school is built. We commit ourselves to working in partnership with Aboriginal people for reconciliation and justice.

Dear Parents and Carers

Last Weekend we celebrated the Solemnity St Mary of the cross Mackillop, Australia's first saint. An extraordinary woman of faith, rising to the challenges of her time, but never without placing her trust in God and entreating the help of her sisters.

St Mary, you valued the dignity of those forgotten by society and responded with Gospel boldness to the injustices of your time. Inspired by your witness, may we to 'take fresh courage' and live the mission of Jesus Christ in your word and deed today.

St Mary of the Cross Mackillop, pray for us.

I am thrilled our children were able to return to school and enjoy learning with their peers again. I am particularly grateful for the work of each parent and carer who are balancing the demands of working, assisting with home learning and running a home during the latest state lockdown.

Similarly, I am proud of the support that our teaching staff have been able to offer our community.

The updated COVID requirements for our school community are as follows:

- If students are unwell, please do not attend school
- Unfortunately, non-essential visitors are not allowed on school sites for the near future

If parents need to enter the office area please: QR Code, Sanitise and Wear a mask

Have a great week

Take Care

Confirmation Eucharist has a new date. This very important ceremony is to be held Friday October 8th at 7pm in the MPB at Sacred Heart College.

Reconciliation

Just a reminder to parents in Year 3 and 4 to fill in the google doc enrolling your child to make the Sacrament of Reconciliation. If the google doc is not filled in by the end of today I will assume your child is not making their Reconciliation.

Win the Morning, Win the Day.

This idea combined with our Christian Meditation is becoming a very popular way to start our day.

Win the Morning Win the Day asks the children to think about one thing they are grateful for and one thing they can do to be the best part of someone else's day. Ask your child about it when you get the chance.

Win the Morning Win the Day, has been taken from Ben Crowe from Mojo Crowe.

Obviously, everyone is being tested at the moment so our mindset and positivity becomes extremely important.

Win the Morning Win the Day, is one way of seizing back the day not just for ourselves but those around us. I have attached a link to a clip where Ben Crowe explains the idea behind win the Morning Win the Day, which is worth a look.

Enhanced PAM features.

Parents can now enter up to 14 **multiple day absences** in PAM. In the past parents could only enter single day absences. If your child is going to be absent for extended periods (eg: family holiday, extended illness, etc.) please continue to notify your child's teacher in advance if possible, and enter the absence reason in PAM.

Please enter your child absence note in advance, or on the day of absence prior to 10am where possible. We understand parents are busy so the **cut-off time to enter absence notes has been extended to 6pm.**

You will continue to be notified of your child's unexplained absence via SMS and are expected to respond as soon as possible by entering an absence reason in PAM or contacting the front office.

Please check if your child has any unexplained absences in PAM and contact the office to ensure your child's attendance is accounted for.
