**MINI BLITZ- Weeks 5 & 6**

'Treat each other with respect.  
That is how we be our best.'

### *2017 Term 1 Week 5 Newsletter*

As the period of Lent has started, we should reflect on two significant days that occurred this week.

On Tuesday, Christians around the world celebrate **Shrove Tuesday** or **Pancake Tuesday**. Shrove Tuesday originated when Christians prepared for the 40 days of fasting before Easter. The 'pancakes' were made using all the luxury foods (eggs, flour, milk, etc) that were in each home. These when combined formed a pancake type meal. We now follow this tradition by symbolically making pancakes on Shrove Tuesday.

**Ash Wednesday** is the first day of Lent and occurs forty days before Easter. Ash Wednesday gets its name from the practice of marking the sign of a cross with ash on the foreheads of the faithful as a sign of repentance. The ashes used, are palm branches gathered and burnt from the previous year's Palm Sunday. For adults Ash Wednesday is a day of fast and abstinence.

**"All are from the dust,  
and to dust all return."**

*Ecclesiastes 3:20, ESV*

#### **Opening School Mass**

Last Thursday, we celebrated with Father Steve & Father John a very special mass that officially marked the beginning of the school year. At the Mass we welcomed our new families, our new students, new staff and we welcomed our new Year 6 leaders to their positions for the year. Our student leaders have spent many years at Sacred Heart and are a credit to the community, to the school, the staff and the past leader Mr Paul Maher. The Year Sixes already show that they embody many of the school's values and strengths. We look forward to watching them grow as leaders during the 2017 school year.

#### **School Board & Parent & Friends**

Thank you to the parents who attended either the Board or Parent & Friends meeting last week. We are fortunate to have a large group of parents who have volunteered their services to inform and co-ordinate events within our school. Our aim in 2017 is to build community and to foster relationships. I hope that you will support their efforts and get involved in your school community as ultimately your children benefit when you and your family are connected to their school community.

#### **Parent Teacher Interviews**

This week we are holding our Getting To Know You Interviews. This is an opportunity for you to meet your child's teacher and discuss your hopes for your child this year. During the interview your child's teacher will engage in conversations around;

What are their strengths / challenges - areas to work on?

What interests does your child have?

What are your hopes for your child this year?

Our teachers are looking forward to meeting you and finding out more information about your child so that they can ensure their needs are being met and they have a successful 2017 school year.

#### **Child Safe**

All Catholic Schools in Victoria (as advised by the Catholic Education Commission of Victoria) require their parents who wish to assist in any way in the school to have a Working With Children Check WWCC). A form can be accessed and completed online (see link below), then if you go to the post office you can finalise the photo process. There is no cost other than the passport photo and the card is current for five years. If you plan to help out as a volunteer and do not have a card please make time to complete this process. Thanks in anticipation.

### Ash Wednesday and Lent

As today is Ash Wednesday our Year 1,2 and 3s participated in a Liturgy here at school today while our Yr 4-6s attended Parish Mass. Lent is a special season in the church calendar, where we take time to pray, reflect and fast. This helps us think about what Jesus did for us dying on the cross and to celebrate how he came back to life, on Easter Sunday. As part of the fasting for Lent we are encouraged to not eat meat on Ash Wednesday, Good Friday and all Fridays in Lent. Almsgiving is another way we can prepare for the death and resurrection of Jesus. All families will receive a Project Compassion box today. If we could use this as a chance to remind our children of those who are less fortunate than us living here in Yarrawonga, it would be invaluable for our students. Project Compassion will be a big focus of our Lenten journey here at Sacred Heart culminating in a Caritas Ks, walkathon in the last week of term. A note will go home with a sponsor book to each family next week.

### Children's Mass

Each term we have at least one opportunity to lead Sunday Mass at Sacred Heart Church and this Sunday is our first Mass. The children read the readings and we also have hymns that the children know and love. This Sunday's Mass is led by our Leadership Yr 5/6 and Preps but all children are encouraged to attend and come sit up the front.

If your child is in Year 5/6 or Prep and will be attending on Sunday at 10am could you please email me on [mmcinness001@shyarrawonga.catholic.edu.au](mailto:mmcinness001@shyarrawonga.catholic.edu.au) so I can allocate jobs.

Have a great week everyone,

Meegan

## Developing Independence in Primary school (Part 2)

By Michael Grose

*Practical ideas for parents to encourage real independence in children.*

### 2. Use pocket money to develop independence

A regular allowance is a fabulous way to promote real independence in children. Start in lower primary school and gradually increase their allowance the older they become. Importantly, you need to increase the areas that their allowance covers. For instance, in lower primary school a child's pocket money might go towards the purchase of some sweets and one or two other items each week. However, in middle primary school it might increase to cover the cost of one or two lunch orders each week, their bus money and some treats.

In later primary school it could even cover some of their clothing purchases as well. The important thing is not to cover for kids if, for instance, they don't budget appropriately and run out of money for school-canteen lunches. They can either make their own lunches at home or perhaps borrow from a sibling and repay out of their next allowance. Pocket money used well is a fantastic way to develop independence in kids.

### 3. Look after pets

It's a quirk of life that most children want a pet, but they just don't want to look after it in the long term. Many kids discover that following the initial flush of enthusiasm looking after a pet can be a grind – walking the family pooch, cleaning out the guinea-pig cage, or feeding the family feline. But pet care offers priceless lessons in the development of grit, responsibility and nurturance – all necessary attributes for independent success.

### CHILDREN'S CHATTER MATTERS

Language Learning activities to have a go at home.

Activities will be provided over this term targeting phonological awareness skills.

Phonological awareness is one of the key building blocks for reading and writing. It is listening to, and thinking about the sounds in words.

\*\* The game, 'Sound Thief', is a great way to support your child to develop their manipulation of sounds in words (deleting, adding or swapping sounds). Use real objects or pictures to represent words, then take turns to steal a target sound. The other player/s need to identify the word and the "sound stolen". *For example: hat → "at" (you stole the "h" sound from hat).*

As a harder task, try swapping a sound in a word. *For example: back → "ban" (you changed the 'k' sound to an 'n' sound).* Decide with your child first the position of the sound to swap – beginning / middle / end.

### Extend After School Care and Holiday Programs at Sacred Heart Primary School

Last week at After School Care we have a new baseball set that the children are enjoying. For Science, we had an experiment making lemonade fizzy drink. Watching the soda react with the lemon was exciting. The children are asking to set up a school scene most days and acting out their own school day, even acting such things as sickbay & lunch orders. We have been building lots of things with our Lego and setting up scenes like a ranch using our animals and building blocks. We have also been practicing our good manners at ASC.

Please remember that every cent made at the fete goes back into both schools to benefit the school communities.
