'Watch what you say cause you'll know if it's ok!'

Newsletter Term One Edition No 5

Welcome back to Term Two. I hope you all had a restful Easter holiday with your family and friends. We were blessed with some beautiful weather so I hope you were able to enjoy some family activities enjoying the sunshine and warm temperatures.

Raising Money for Caritas (Friday 20th April. 11.30am-1.00pm)

As part of the Sacred Heart Primary contribution to Project Compassion for 2018 we will be having a **Sacred Heart Has Got Talent** afternoon on Friday April 20th. This day has been organised by our Year 6 leaders and SRC and should be a fabulous day raising funds for Project Compassion.

Did you know:

that \$15 can help support a young person in the Philippines to go back to high school and finish their education.

That \$65 can provide a deaf person from Cambodia the opportunity to learn and practice sign language or

That \$100 can buy a box of materials for children in Mozambique to learn carpentry skills.

On this day, the students will be able to wear casual clothes and take part in a series of activities including a Frisbee Golf Competition. Students will also be able to purchase items such as loom bands and art work made by Sacred Heart students. A sausage sizzle and Popper will be provided for their lunch. Please send in your \$5.00 or \$10.00 before Friday.

Santa Fe

On Friday, the 27th I will be heading off to Santa Fe with Dan Boulton and Christine Martin. This promises to be a wonderful opportunity for our school as we learn how to fully engage our students and families in school and community life.

Sacramental Program

Thank you all the parents who attended our information evening for the Sacraments of Confirmation and Eucharist. This is an important step in our students faith journey and essential for us to be active participants in their preparation.

Buerckner Family

During the holidays, Janine's mother Marg Simms sadly passed away.

Please keep Janine and her family in your thoughts and prayers during this sad time.

Have a fabulous week. I look forward to touching base again on my return from Santa Fe. Arn

Acknowledgement of Traditional Custodians

Parents or family members who have a spare lunchtime and would like to assist in anyway over the term are most welcome to come in and help out for approx. 40min.

If you can help out please:

- * Email or ring with details...day or days available to help out
- * Email Mr Carroll at dcarroll@shyarrawonga.catholic.edu.au

Sacred Heart has Talent

A great array of acts have already auditioned for our Caritas Talent Show Friday with more auditions today. The children are making it very hard for myself and our Year 6 leaders to choose. We thank all those students who have put up their hand to audition.

A reminder students may wear casual clothes and lunch will be provided. There will be some students selling loom bands and other hand made items so the children are allowed to bring a small amount of money to purchase these extras. However please note that the \$5 a child or \$10 a family covers lunch, Talent Show entry, raffle ticket and colouring competition entry. All money raised goes to Caritas Australia.

Have a great week everyone.

Extend After School Care at Sacred Heart Primary School

This month our community activities are based on the local charity 'St Vincent De Paul'

We were visited by Kath Taylor, who spoke to the children of the work they do and how donation can help others.

This also reinforces our learning of the three R's recycle, reuse, reduce. We will be having an excursion to the local shop in Belmore Street later in the month too.

We are still fundraising for the Men's shed as the children have not reached their goal of \$50. More donations would be grateful and welcomed.

Other News: I have been asked to write an article for the Extend Magazine featuring our interactions with the local Men's Shed. This will include some photos from our program too.

Chickenpox (Varicella)	Slight fever, runny nose, and a rash that begins as raised pink spots that blister and scab.	 ... for 5 days from the onset of the rash and the blisters have dried.
Conjunctivitis	The eye feels 'scratchy', is red and may water. Lids may stick together on waking.	 ... while there is discharge from the eye unless a doctor has diagnosed a non-infectious cause.
Diarrhoea (no organism identified)	Two or more consecutive bowel motions that are looser and more frequent than normal and possibly stomach cramps.	 ... for at least 24 hours after diarrhoea stops.
Fever	A temperature of 38.5°C or more in older infants and children.	 ... until temperature is normal.

Glandular Fever (Mononucleosis, EBV infection)	Symptoms include fever, headache, sore throat, tiredness, swollen nodes.	 ... unless they're feeling unwell.
Hand, Foot and Mouth Disease (HFMD)	Generally a mild illness caused by a virus, perhaps with a fever, blisters around the mouth, on the hands and feet, and perhaps the nappy area in babies.	 ... until all blisters have dried.
Hayfever (Allergic rhinitis) caused by allergy to pollen (from grasses, flowers and trees), dust mites, animal fur or hair, mould spores, cigarette smoke	Sneezing, a blocked or runny nose (rhinitis), itchy eyes, nose and throat, headaches.	 ... unless they feel unwell or are taking a medication which makes them sleepy.

Hepatitis A	Often none in young children; sudden onset of fever, loss of appetite, nausea, vomiting, jaundice (yellowing of skin and eyes), dark urine, pale stools.	 ... for 2 weeks after first symptoms (or 1 week after onset of jaundice). Contact your doctor before returning to school.
Hepatitis B	Often no symptoms in young children. When they do occur, they can include fever, loss of appetite, nausea, vomiting, jaundice (yellowing of skin and eyes), dark urine.	 ... if they have symptoms. Contact your doctor before returning to school.  ... if they have a chronic infection (not the first outbreak) and no symptoms.

Whooping Cough (Pertussis)	Starts with a running nose, followed by persistent cough that comes in bouts. Bouts maybe followed by vomiting and a whooping sound as the child gasps for air.	 ... until the first 5 days of an antibiotic course has been completed. Unimmunised siblings may need to stay home too until treated with an antibiotic.
Worms (Threadworms, pinworms)	The main sign of threadworms is an itchy bottom. Sometimes children feel 'out of sorts' and do not want to eat much. They may also have trouble sleeping, due to itching at night.	 ... and tell the school as other parents will need to know to check their kids.

***It is important that the rest of the family is checked for head lice, scabies and ringworm**
