

### *Acknowledgement of Traditional Custodians*

*Sacred Heart acknowledges the traditional custodians of the land on which this school is built. We commit ourselves to working in partnership with Aboriginal people for reconciliation and justice.*

### **Reflection**

#### **A Prayer of Remembrance**

**Lord God, help us this day to remember the sacrifice of the first ANZAC's, Australian and New Zealander, and the generations of men, women and children who have died in the cause of freedom and peace.**

**Help us to remember those who still bear the physical and mental scars and disabilities of their service.**

**Help us to remember the widows, girlfriends, parents and orphans and all those who waited in vain for the return of a loved one.**

**Help us to remember the mateship, agony, courage and compassion of war service,**

**Please give us the wisdom and strength to build a better world.**

**Amen**

Sacred Heart Primary School is committed to child safety. We believe all children have the right to feel safe and to be safe.

## **Welcome back to Term 2**

Welcome back to Term 2. I hope you have had a restful Easter holiday with your family and friends. We were blessed to have beautiful weather - so I hope you were able to enjoy.

Thank you to all our students who participated in the RSL Anzac day commemorative march and laying of the wreath in Mulwala, Yarrawonga and Tungamah. Every year the ceremony gets bigger and I believe it is a wonderful opportunity for our children to learn about our history and to appreciate that we

are very lucky to be living in a peaceful country.

Thank you also to the parents who attended our Sacramental Evening on Tuesday. This is an exciting time in your child's faith journey and important for us as families, school and parish to support and be part of the journey with them.

Take care

Arn

## Our P.B.I.S Blitz

A tidy uniform from head to our feet, makes Sacred Heart kids look nice and neat.

Congratulations to Danielle Coulter, Zoe and Chelsea Freestone for your amazing fundraising efforts in the holidays. These girls baked cupcakes and sold them in their friendly neighbourhood to raise money for the Rosemary Cullen Foundation. Well done girls!

## Caritas Ks

What a great day was had last Friday for the Sacred Heart Caritas Ks. The weather was good and spirits were high as the students from both our schools joined for a walk. The students in teams representing the various countries Caritas supports walked the 1 km track around our school continuously for over an hour while sharing the load of carrying buckets of water. Over \$2,000 has been raised so far with money still coming in. Please return your Project Compassion boxes asap.

Thanks to all the students from both schools, their families and all staff for their support in this very worth cause.

## ANZAC Day.

On ANZAC Day, many children from Sacred Heart paid their respects to all those who have served our country at services around the area, including Yarrawonga, Mulwala and Tungamah.

### **Reconciliation Information Evening**

Last night the parent information evening for the Reconciliation candidates from Year 3 was held. I thank Father Steve for his attendance and all the parents who were there. If you were unable to attend information will be sent home today with you child.

### **Mother's Day Liturgy**

Our Mother's Day liturgy is to be held Friday 10 May at 10 am in the MPB at Sacred Heart College followed by morning tea for our Mum's and special guests. This is always a lovely liturgy and is a great opportunity for our children to show their Mum's, Nan's and other special ladies how important they are. As part of the liturgy I would like to include photos of our Preps and their Mum and our Year 6 students with their Mum. If I could have a photo emailed to me at the e-mail address above by next Wednesday 8 May 2019 it would be appreciated. We hope to see all our Mum's and special women in our student's lives there. Have a great, wet week (hopefully).

## Extend OSHC at Sacred Heart Yarrawonga

### Enrichment program term 2

#### **Cooking**

**Learning the language of cooking, math in cooking, sensory experience of cooking**

Hygiene, rules of the kitchen, how much fats and sugars are in our food?

We will be working all term on our cookery experiences, and food education.

At the end of the term we will be making a recipe book with all the recipes in. This will be for sale as a fundraiser to buy something special for our program. Every afternoon we cook, samples will be available for taste testing by families.

### Theme of the Month:

#### **Hair dressing**

How to look after our hair, how to protect ourselves from nits, hair hygiene and health

### Highlights from Autumn vac Care

Wow, what an amazing time we have had. Our trip to Bonegilla migrant camp was so informative and a step back in time for the students. As Jordyn told his mum they didn't even have a TV. It was great to catch up with the Men's shed again and the children made an awesome bird feeder each to take home. Lastly the fun of Lazer tag, mini golf and the Albury botanical gardens.

If you have any resources you think we may be able to use, or any skills you could share with the children, please let us know. We would love to have more parent involvement in the program.
