

Sacred Heart Primary School is committed to child safety. We believe all children have the right to feel safe and to be safe.

Acknowledgement of Traditional Custodians

Sacred Heart acknowledges the traditional custodians of the land on which this school is built. We commit ourselves to working in partnership with Aboriginal people for reconciliation and justice.

Lord, Grant us -
Courage to do right;
Wisdom to say the right thing at the right time;
Faith in the goodness of humankind,
And most important,
Love - the kind that gives without demanding,
Supports without holding too tightly and
understands that we are, all of us, imperfect.

Cardinal Basil Hume (1999)

Good Afternoon Everyone

I hope you all enjoyed a fabulous weekend.

We have a few updates regarding staff for 2021. As you all know we will be saying farewell (not forever) to Kate Trembath at the

We will also be saying goodbye to Lilly Cant at the end of Term 1 2021 as Lilly is also pregnant. We know this is a very exciting time for both Lilly and Kate and we wish them well.

With Kate and Lilly's departure we would like to announce Kirsten Leary and Jo Seal will be joining our staff in 2021. Both teachers bring a wealth of experience and a passion for learning to our staff. We are very excited to have them both joining our team.

Just a reminder in regards to pick up at the end of the day. Road rules still apply at the pick up area. Appropriate speed limit is 10km and NO mobile phones. Also children who are being picked up on Orr street (not from the pick up zone) will be dismissed at 3.15pm. Early dismissal is only for children being picked up at the red bollards. Safety of our students is of paramount importance.

Thank you to all parents who participated in our Learning Conversations and PSG's over the past couple of weeks. Staff really appreciate your time and support in your child's learning.

Have a wonderful week everyone

Stai attento (take care)

Arn

Catholic Identity News

Last Friday our Year 6 students belonging to team Service led a presentation via Google Meet to the rest of the school. This presentation gave these students Grace Richmond, Leah Pitcher, Keira Freeman, Georgia Martin, Darla Lawless, Archie Ward, Milly Charles, Max Loughnan, Mia Elliott and Ollie Nagle the opportunity to explain what Service means in the Mercy Charism as well the history behind the names of our house teams; Loreto, Lourdes, Fatima and Mercy. There was also a quick demonstration of skipping in relation to Jump Rope for Heart.

Sacred Heart Day for all they do.

A Teacher's Text for World Teacher's Day

October 30th 2020

(A loose paraphrase of 1 Corinthians 13:1-6)

I may be able to speak with authority in the assembly hall and teach with skill in the classroom; I may lecture brilliantly on a wide variety of subjects; I may appear on television panels about education and write bestselling books on the subject, but if I have no love for my students, it is not enough.

I may have degrees or diplomas in education; I may be in close touch with the latest trends in teaching and heartily approve of the newest ideas; I may also strongly emphasise knowledge of the basics- but if I have no love for my students, it is still not enough.

Love makes teachers patient and kind. Teachers who love their students are not sarcastic, or rude or unfair. They never bear a grudge. A teacher's love never gives up.

There are theories of education, but they will be superseded; there are teaching techniques, but they will soon be out of date. For our present ideas on education are only partial and

that which is partial will vanish when life is seen in its wholeness.

There are three things in education which will endure: faith in the value of education, hope for the future of education, and the love of a teacher for their students. But the greatest of these is the teacher's love.

**For all the wonderful teachers and staff at Sacred Heart Primary on World Teacher's Day 2020.
