

Sacred Heart Primary School is committed to child safety. We believe all children have the right to feel safe and to be safe.

Acknowledgement of Traditional Custodians

Sacred Heart acknowledges the traditional custodians of the land on which this school is built. We commit ourselves to working in partnership with Aboriginal people for reconciliation and justice.

We are all tempted by different things whether it be to act a certain way, to buy things etc, however it is the choices we make when tempted that are important. During our lenten time we can choose to go without something rather than engage in it, we can choose to give to others in our time as opposed to doing something for ourselves, and we can choose to pray more deeply particularly prayers of thanks, gratitude or strength.

Buonjourno Everyone

Great news - we are back! Thank you for your patience and support over the past 3 days.

We will return to the following guidelines to ensure the safety of everyone in our school community:

- **All students will return to school tomorrow, Thursday 18th February. Classes will run as normal.**
- **The school day begins at 8.50 am and finishes at 3.15 pm.**
- **Supervision for students begins at 8.30 am. Please refrain from dropping your children earlier than 8.30. Staff use time prior to 8.30 for planning, organising and meetings.**
- **With the easing of COVID restrictions - parents and carers are able to be on campus, however COVID practices such as social distancing, need to be adhered to at all times. Masks must be worn.**
- **We ask parents not to enter the learning spaces at the end of the day – but wait for your children outside. This allows us to monitor the numbers of people in the learning spaces to ensure the safety of everyone.**

I appreciate your adherence to these guidelines.

It is with great excitement I announce the Year 6 leaders for 2021. I know they will be fabulous role models for our school community.

Service: Charlie Hargreaves and Elli Buerckner

Hospitality: Ava Ashton & Zoe Freestone

Courage: Connor Strawhorn & Chloe Perryman

Justice: Macy Quarrel & Blair Strawhorn

Compassion: Montana Morey & Jack Smith

Due to the snap school closure, our swimming sports for students in Years 3 - 6 will now be held on Thursday 25th February. This is a very exciting time for not only our newly appointed Sports Captains, but as well as the opportunity for our students to encourage each other, acknowledge each other's talents and perform to the best of their ability. Good luck everyone and may the best "house" win. Thanks to Mr Carroll for all his work in organising this.

Take Care Everyone
Arn

Safety is best, put yourself to the test!

Catholic Identity News

Today is Ash Wednesday and this was the focus of our Christian Meditation this morning. It is also the beginning of Lent and the commencement of the Caritas, Project Compassion appeal. Each family will receive a Project Compassion box early next week.

Sacraments

Our Sacramental Program will look a bit different this year but the plan is for our students in Year 4 and 5 to receive the sacraments of Confirmation and Eucharist in May and our Year 3 and 4 students to receive the sacrament of Reconciliation in Term 3. A note was emailed to all families in Year 3, 4 and 5 regarding this information. All students in Year 4 and 5 whether receiving the sacraments of Confirmation/Eucharist or not, must fill in the form emailed last week. This needs to be completed ASAP. Any problems please contact me at school or via email.

Looking forward to seeing everyone back at school!

Catholic Identity Leader

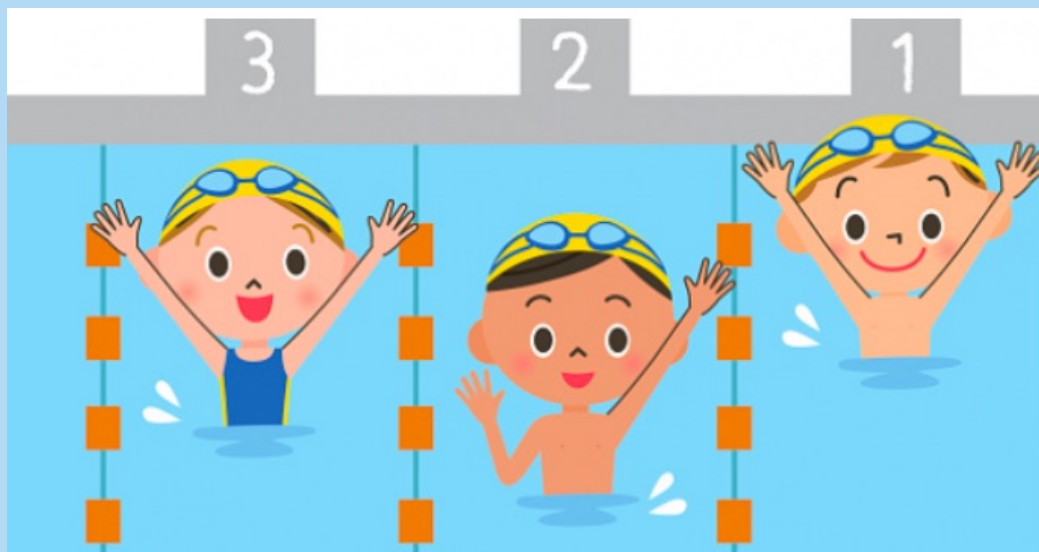

Caritas
AUSTRALIA

Project Compassion allows Caritas Australia, the Catholic Agency for International Aid and Development, to work with local communities around the world to alleviate poverty, hunger, oppression and injustice.

We encourage you to put your compassion into action this Lent through your prayer, fasting and almsgiving by supporting Project Compassion. Each family will receive a Project Compassion box and/or a set of envelopes for their donations or you can donate online via the Caritas Australia website at: lent.caritas.org.au

Saint Oscar Romero is our inspiration for Project Compassion 2021, so in his words let's "Aspire not to have more, but to be more."

School Swimming Carnival 2021

Our school swimming carnival for students in Years 3 - 6 will now be held at the Yarrawonga Outdoor Pool on Thursday 25 February 2021.

Please note that for those children who are selected to swim at the Divisional School Swimming Sports, this event will be held in Wangaratta the following day, Friday 26 February. If your child is selected to swim at this event you will be notified next Thursday evening and will be required to sign a permission form. The school will be taking a bus to this event for children that are selected.

NSW has one of the largest metropolitan bus fleets in Australia. Almost 4000 buses operate in the Sydney area, while another 1000 buses service the Newcastle, Wollongong and Blue Mountains areas. Passengers take more than 300 million trips on buses throughout NSW each year. In addition, more than 3000 bus services operate in rural and regional NSW.

Adults - always hold your child's hand

School-aged children might seem independent, but they still need a hand around traffic. Remember:

- Always meet your child AT school or the bus stop. NEVER wait on the opposite side of the road and call them across
- Until they are at least 10 years old, always supervise your child and hold their hand when walking to and from the bus stop or interchange and when crossing the road
- Wait until the bus has gone then use a safe place to cross the road.

Pedestrians

Pedestrians are our most vulnerable road users and they makeup around a half of all fatalities from bus crashes in metropolitan areas. To stay safe on and around buses, pedestrians should:

- Plan ahead and don't rush for the bus
- Obey traffic lights and cross with care
- Avoid being distracted by mobile devices
- Stand back from the kerb when waiting for a bus.

Drivers

Buses can't stop quickly and drivers should:

- Give way to buses pulling out from bus stops
- Not merge too closely in front of buses and Slow down to 40 km/h when bus lights flash.
