

Acknowledgement of Traditional Custodians

Sacred Heart acknowledges the traditional custodians of the land on which this school is built. We commit ourselves to working in partnership with Aboriginal people for reconciliation and justice.

Sacred Heart Primary School is committed to child safety. We believe all children have the right to feel safe and to be safe.

Buongiorno a tutti

"Sacred Heart is a welcoming respectful Catholic Learning Community always faithful in the spirit of the Mercy tradition."

Thank you to all parents who were able to attend our Meet and Greet afternoon. These afternoons are very important, as they provide an opportunity to build the relationships that are so very important in relation to your child's learning. We know that children thrive and become lifelong learners when there is a positive relationship between teachers, the student, and parent/guardians.

Wearing our school uniform reinforces our children's pride in their appearance and instils recognition of themselves as an integral member of the Sacred Heart Parish community. Our children are expected to dress in complete school uniform in a way that reflects a sense of pride in our school and themselves. It also maintains and enhances the positive image our school has in the local community. There are a few reminders about our expectations about our school uniform:

- Black shoes and white socks are to be worn - runners are only to be worn when wearing our sports uniform.
- Nail polish is not acceptable.
- Hair ribbons to be navy or white

I ask that parents ensure our children wear our correct uniform each day.

It has come to my attention that there are many photos of our children on social media, wearing their school uniforms and other children in the background. Please consider your child's safety, particularly posting photos where it is very easy to identify them. I also ask that you familiarise yourself with our school policy regarding taking photos and videos when you are at Sacred Heart. Sacred Heart Primary School allows members of the school community to take photographs and videos of their children at school assemblies, class presentations, performances, sporting events etc. In accordance with the Privacy & Data Protection Act 2014 (Vic), Copyright Act 1968 (Cth) & Education Department guidelines, members of the school community are restricted to only photograph / video their children. These images must not be published on social media or in any other form without the prior consent of parents & guardians whose children may unintentionally appear in the images.

The Year 3-6 swimming sports will be on Thursday 21st February. This is a very exciting time for not only our newly appointed Sports Captains, but an opportunity for our students to encourage each other, acknowledge each others talents and perform to the best of their ability. Good luck everyone and may the best "house" win. Thanks to Mr Carroll for all his work in organising this.

School Fees and Direct Debit School fee notices were sent home last week. I would be grateful if these could be attended to in a timely manner. If payment presents a problem, then please contact Mrs Sonia Bourke or myself.

We would love all families to join us for our Opening School Mass on Friday 21st February at 10am. It is a wonderful opportunity for us to come together as a community and celebrate the new school year.

Ciao

Arn

MEDICAL PROFILE UPDATE

IMPORTANT NOTICE TO ALL PARENTS

This is a reminder to ALL parents to log into PAM and check the status of your child's Medical Profile. Please ensure all information is up to date. We advise that there has been a change to the form which now requires ALL profiles to be updated with a copy of your child's immunisation statement. This will alleviate the need to answer all the questions regarding which immunisations your child has been given. You can upload a copy of the immunisation certificate by taking a photo of the certificate with your phone and selecting it from your photo library. Alternatively you can scan the document as a PDF and upload it that way. If you require any assistance please come and see the office staff who will be happy to help you.

Nut free school

Another reminder to parents that we are a NUT FREE SCHOOL. (This includes Nutella). Please ensure that if your child is exposed to nuts at home prior to coming to school in the morning that they wash their hands thoroughly. We have a number of students with serious nut allergies so your support is vital to ensure their safety.
