### Welcome Back everyone

I hope you have all experienced a happy and Holy Easter.

It with sadness I inform you that Dave, Heidi, Bobbie and Sam Tayler house was burnt to the ground on Good Friday morning. Thankfully all family members are safe however their home and possessions have been completely destroyed. This is a very difficult time for the Tayler family so please keep them in your thoughts and prayers

### Appointment of Principal for 2018

The process for appointing a Principal for 2018 has begun. The position will be advertised in the next couple of weeks.

### Principal & Deputy Network Day

Dean Carroll and myself will be attending a CEO leadership network meeting on Thursday in Shepparton.

### Car Park

You may have noticed there was multiple staff members in the car park last night and they will continue to be present over the next few weeks. It is imperative that parents use the crossings and model safe practice to children. We have witnessed some very, dangerous situations last term and will appreciate your support in making this area as safe as possible

### Football

Football season has begun in the playground for 2017. As this is school yard football we have a responsibility to ensure all our students are safe therefore we have a 'no tackling rule' unless the game is umpired by a staff member. This will be rotated so all grade levels will get the opportunity to practice their skills.

### First Presentation Mass – 10.30am

This Sunday (April 23<sup>rd</sup>) sees our first presentation Mass for our students receiving the sacrament of Confirmation and Eucharist. This is an essential part of the student's preparation.

### ANZAC Day

To cope with the tragic losses our country saw at Gallipoli, the men and women of Australia searched for the positive in the experience. To get through such a horrendous time the soldiers had to develop strong bonds with each other and demonstrate extraordinary courage, endurance and bravery.

So, today, when you hear someone speak about the ANZAC day, think of courage, bravery, endurance, mateship, determination and sacrifice our men and women modelled. These are the values that were demonstrated so strongly by the soldiers at Gallipoli and are important in defining Australia as a nation.

Next Tuesday, will see Sacred Heart Primary School acknowledging what the men and woman did in helping define us as a nation by participating in ANZAC day marches in both Mulwala, Tungamah and Yarrawonga.

It would be fantastic to have as many children as possible participating in the march.

Have a Great Week.

Take Care

Arn

## Pastoral Wellbeing Janine Buerckner

[jbuerckn@shyarrowonga.catholic.edu.au](mailto:jbuerckn@shyarrowonga.catholic.edu.au)

Welcome back to Term 2. If you have any issues that you'd like to discuss, regarding your children's education or their social or emotional wellbeing, please feel free to come and see me – my office is in the Admin Block.

Our Breakfast Club is held on Wednesday and Friday mornings, before school, and all are welcome. We thank the dedicated and hard-working St Vinnie's volunteers for making this program possible. The Breakfast Club operates from the canteen.

Our PBIS blitz for this week is about using appropriate language "Watch what you say cause you know if it's okay". The following article, from Michael Grose, discusses this subject and gives some tips on what to do when your children swear.

### **Mind their \*#!\*!# language by Michael Grose Part 1**

#### **What do you think when you hear kids swear in public?**

If you're like me, you feel decidedly uncomfortable when kids of any age turn the air blue with profanities. Swearing shows lack of respect for others, and also a lack of awareness for their surroundings.

Teaching kids to use appropriate language is trickier now than in the past. For a start, standards have changed where many words, such as the F word, that were deemed inappropriate in the past are often heard on radio and seen in mainstream newspapers. And words that everyone agrees are inappropriate are frequently used in public forums, to the point that the boundaries of appropriateness have become blurred.

Standards may change, but the job of parents hasn't altered. That is, to teach kids to use language that doesn't offend others. Whether it's teasing or swearing it's all the same. If it's offensive then choose other words, or say nothing at all, is the message to get across to the next generation.

### **Socially-smart kids alter their language**

Socially-skilled kids of all ages will adjust their language to suit the situation they are in. They may speak one way with their friends, but use a completely different vocabulary when they are with adults. They are aware that what works with their best friend just won't cut it when you are in Grandma's company. This awareness shows social acuity, and a flexibility to adjust to different environments. It needs to be extended to all sorts of situations, including where adults and younger children are present.

### **CHILDREN'S CHATTER MATTERS**

Language Learning activities to have a go with, at home.

Ten activities will be provided over Term Two to help develop your child's vocabulary at home (you may need to adjust the activity to suit your child's level). See if you can think of more activities!

**\*\*** One person thinks of a category such as countries, famous people, vehicles, animals or kinds of food.

The other person/people have to think of 10 things in that category in one minute. If they succeed they get one point. Take turns to be the one to think of a category. The first person to get to five points is the winner.

Tip: Some categories are easier than others; for example: 'animals' is easy because there are lots of kinds of animals. If you want to make the game harder, choose a category such as 'African animals' or 'animals that can be pets' that has fewer things in it.

### **Extend After School Care at Sacred Heart Primary School**

The last two weeks at our Autumn Holiday program have been fun filled with lots of activities such as cooking, science, sports, Art & Craft, music and lots more. We had two incursions, Tennis Clinic & Arty pants, that the children really enjoyed. The face paintings were fantastic we had unicorn, gentleman, crocodile, shark & more. On the rainbow party day we had a jumping castle, chalk bombs, rainbow pop cakes, balloons/streamers, crazy hair colours, etc. We made our own Easter basket then we had a Easter Egg hunt.

#### **Existing Families**

**Have you secured your Term 2 bookings? You can book for the entire term or year or even book specific dates.**

**Option 1: Book for the entire year/period of time selected. Use the 'by the day of the week' tab to book consistent days over a period of time that you select.**

**Option 2: Book by specific dates**

**Irregular bookings can be made by the 'By specific dates' tab. If you make these bookings with 14 days notice or more, you will attract the lowest rate.**

#### **New families**

**Enrolling is quick and easy! Simply set up your own account online via the Parent Portal. Please note it is government regulation that all children must be enrolled BEFORE attending an Extend service. For information on operating hours and fees for your school, visit your After School Care Venue or school website.**

**We look forward to seeing you in Term 2!**

## Parent-Child Mother Goose Program

There is nothing more important than the bond between parent and child. The Parent-Child Mother Goose Program builds on this essential relationship and gives parents the tools that make daily life with a young child more fulfilling.

The Parent-Child Mother Goose Program is a weekly group experience for parents/carers and their children aged from birth to 2 years. The program introduces adults and children to the pleasure and power of using rhymes, songs and stories together.

Parents gain skills and confidence which can enable them to create positive family patterns during their children's crucial early years of development.

Children benefit from enjoyable, healthy early experiences with language and communication.

These skills, pleasures and insights can be taken home and shared with older children, grandparents and other parents.

It's a relaxed, supportive and fun environment and the whole family benefits!
